FOREIGN COMMERCIAL SERVICE

For authority of Secretary of Commerce to establish a Foreign Commercial Service in Department of Commerce, see section 1-104 of Ex. Ord. No. 12188, Jan. 2, 1980, 45 F.R. 991, as amended, set out as a note under section 2171 of Title 19, Customs Duties.

SUBCHAPTER I—GENERAL PROVISIONS

§ 3901. Congressional findings and objectives

(a) The Congress finds that—

(1) a career foreign service, characterized by excellence and professionalism, is essential in the national interest to assist the President and the Secretary of State in conducting the foreign affairs of the United States;

(2) the scope and complexity of the foreign affairs of the Nation have heightened the need for a professional foreign service that will serve the foreign affairs interests of the United States in an integrated fashion and that can provide a resource of qualified personnel for the President, the Secretary of State, and the agencies concerned with foreign affairs;

(3) the Foreign Service of the United States, established under the Act of May 24, 1924 (commonly known as the Rogers Act) and continued by the Foreign Service Act of 1946, must be preserved, strengthened, and improved in order to carry out its mission effectively in response to the complex challenges of modern diplomacy and international relations;

(4) the members of the Foreign Service should be representative of the American people, aware of the principles and history of the United States and informed of current concerns and trends in American life, knowledgeable of the affairs, cultures, and languages of other countries, and available to serve in assignments throughout the world; and

(5) the Foreign Service should be operated on the basis of merit principles.

(b) The objective of this chapter is to strengthen and improve the Foreign Service of the United States by—

(1) assuring, in accordance with merit principles, admission through impartial and rigorous examination, acquisition of career status only by those who have demonstrated their fitness through successful completion of probationary assignments, effective career development, advancement and retention of the ablest, and separation of those who do not meet the requisite standards of performance;

(2) fostering the development and vigorous implementation of policies and procedures, including affirmative action programs, which will facilitate and encourage (A) entry into and advancement in the Foreign Service by persons from all segments of American society, and (B) equal opportunity and fair and equitable treatment for all without regard to political affiliation, race, color, religion, national origin, sex, marital status, age, or handicapping condition;

(3) providing for more efficient, economical, and equitable personnel administration through a simplified structure of Foreign Service personnel categories and salaries;

(4) establishing a statutory basis for participation by the members of the Foreign Service, through their elected representatives, in the formulation of personnel policies and procedures which affect their conditions of employment, and maintaining a fair and effective system for the resolution of individual grievances that will ensure the fullest measure of due process for the members of the Foreign Service;

(5) minimizing the impact of the hardships, disruptions, and other unusual conditions of service abroad upon the members of the Foreign Service, and mitigating the special impact of such conditions upon their families;

(6) providing salaries, allowances, and benefits that will permit the Foreign Service to at-

tract and retain qualified personnel as well as a system of incentive payments and awards to encourage and reward outstanding performance;

(7) establishing a Senior Foreign Service which is characterized by strong policy formulation capabilities, outstanding executive leadership qualities, and highly developed functional, foreign language, and area expertise;

(8) improving Foreign Service managerial flexibility and effectiveness;

(9) increasing efficiency and economy by promoting maximum compatibility among the agencies authorized by law to utilize the Foreign Service personnel system, as well as compatibility between the Foreign Service personnel system and other personnel systems of the Government; and

(10) otherwise enabling the Foreign Service to serve effectively the interests of the United States and to provide the highest caliber of representation in the conduct of foreign affairs.

(4) The President shall provide the Committee on Foreign Relations of the Senate, with each nomination for an appointment as a chief of mission, a report on the demonstrated competence of that nominee to perform the duties of the position in which he or she is to serve.

The report shall be verified by the oath of the nominee, taken before any individual authorized to administer oaths. Performance pay shall be paid in a lump sum and shall be in addition to the basic salary prescribed under section 3962 of this title and any other award. The fact that a member of the Senior Foreign Service competing for performance pay would, as a result of the payment of such performance pay, receive compensation exceeding the compensation of any other member of the Service shall not preclude the award or its payment.

(b) Criteria; limitations

Awards of performance pay shall take into account the criteria established by the Office of Personnel Management for performance awards under section 5384 of title 5 and rank awards under section 4507 of title 5. Awards of performance pay under this section shall be subject to the following limitations:

The President may grant awards of performance pay under subsection (b)(3) of this section on the basis of annual recommendations by the Secretary of State of members of the Senior Foreign Service who are nominated by their agencies as having performed especially meritorious or distinguished service. Such service in the promotion of internationally recognized human rights, including the right to freedom of religion, shall serve as a basis for granting awards under this section. Recommendations by the Secretary of State under this subsection shall be made on the basis of recommendations by special interagency selection boards established by the Secretary of State for the purpose of reviewing and evaluating the nominations of agencies.

(e) Recognition in lieu of award

Notwithstanding any other provision of law, the Secretary of State may provide for recognition of the meritorious or distinguished service of any member of the Foreign Service described in subsection (a) of this section (including any member of the Senior Foreign Service) by means other than an award of performance pay in lieu of making such an award under this section.

(1) The Secretary shall establish compensation (including position classification) plans for foreign national employees of the Service and United States citizens employed under section 3951(c)(1) of this title. To the extent consistent with the public interest, each compensation plan shall be based upon prevailing wage rates and compensation practices (including participation in local social security plans) for corresponding types of positions in the locality of employment, except that such compensation plans shall provide for payment of wages to United States citizens at a rate which is no less than the then applicable minimum wage rate specified in section 206(a)(1) of title 29. Any compensation plan established under this section may include provision for (A) leaves of absence with pay for employees in accordance with prevailing law and employment practices in the locality of employment without regard to any limitation contained in section 6310 of title 5, (B) programs for voluntary transfers of such leave and voluntary leave banks, which shall, to the extent practicable, be established in a manner consistent with the provisions of subchapters III and IV, respectively, of chapter 63 of title 5, and (C) payments by the Government and employees to (i) a trust or other fund in a financial institution in order to finance future benefits for employees, including provision for retention in the fund of accumulated interest and dividends for the benefit of covered employees; or (ii) a Foreign Service National Savings Fund established in the Treasury of the United States, which (I) shall be administered by the Secretary, at whose direction the Secretary of the Treasury shall invest amounts not required for the current needs of the Fund; and (II) shall

be public monies, which are authorized to be appropriated and remain available without fiscal year limitation to pay benefits, to be invested in public debt obligations bearing interest at rates determined by the Secretary of the Treasury taking into consideration current average market yields on outstanding marketable obligations of the United States of comparable maturity, and to pay administrative expenses. For United States citizens under a compensation plan, the Secretary shall define those allowances and benefits provided under United States law which shall be included as part of the total compensation package, notwithstanding any other provision of law, except that this section shall not be used to override United States minimum wage requirements, or any provision of the Social Security Act [42 U.S.C. 301 et seq.] or title 26.

(2) The Secretary may make supplemental payments to any civil service annuitant who is a former foreign national employee of the Service (or who is receiving an annuity as a survivor of a former foreign national employee of the Service) in order to offset exchange rate losses, if the annuity being paid such annuitant is based on—

(3)(A) Whenever a foreign national employee so elects during a one-year period established by the Secretary of State with respect to each post abroad, the Secretary of the Treasury (at the direction of the Secretary of State) shall transfer such employee's interest in the Civil Service Retirement and Disability Fund to a trust or other local retirement plan certified by the United States Government under a local compensation plan established for foreign national employees pursuant to this section (excluding local social security plans).

(B) For purposes of subparagraph (A), the phrase "employee's interest in the Civil Service Retirement and Disability Fund" means the total contributions of the employee and the employing agency with respect to such employee, pursuant to sections 8331(8) and 8334(a)(1) of title 5, respectively, plus interest at the rate provided in section 8334(e)(3) of such title.

(C) Any such transfer shall void any annuity rights or entitlement to lump-sum credit under subchapter III of chapter 83 of such title.

(b) Employment programs

For the purpose of performing functions abroad, any agency or other Government establishment (including any establishment in the legislative or judicial branch) may administer employment programs for its employees who are foreign nationals, are United States citizens em-

SUBCHAPTER VI—PROMOTION AND RETENTION

§ 4001. Promotions

(a) Method of promotion

Career members of the Senior Foreign Service are promoted by appointment under section 3942(a) of this title to a higher salary class in the Senior Foreign Service. Members of the Senior Foreign Service serving under career candidate appointments or noncareer appointments are promoted by appointment under section 3943 of this title to a higher salary class in the Senior Foreign Service. Foreign Service officers, and Foreign Service personnel who are assigned to a class in the Foreign Service Schedule, are promoted by appointment under section 3942(a) of this title as career members of the Senior Foreign Service or by assignment under section 3964 of this title to a higher salary class in the Foreign Service Schedule.

(b) Recommendations and rankings of selection boards

Except as provided in section 4006(a) of this title, promotions of—

- (1) members of the Senior Foreign Service, and
- (2) members of the Service assigned to a salary class in the Foreign Service Schedule (including promotions of such members into the Senior Foreign Service),

shall be based upon the recommendations and rankings of selection boards established under section 4002 of this title, except that the Secretary may by regulation specify categories of career members, categories of career candidates, and other members of the Service assigned to salary classes in the Foreign Service Schedule who may receive promotions on the basis of satisfactory performance.

(c) Eligibility; request for promotion; time of consideration; withdrawal of request; basis for decision; affidavits

(1) Promotions into the Senior Foreign Service shall be recommended by selection boards only from among career members of the Service assigned to class 1 in the Foreign Service Schedule who request that they be considered for promotion into the Senior Foreign Service. The Secretary shall prescribe the length of the period after such a request is made (within any applicable time in class limitation established under section 4007(a) of this title) during which such members may be considered by selection boards for entry into the Senior Foreign Service. A request by a member for consideration for promotion into the Senior Foreign Service under this subsection may be withdrawn by the member, but if it is withdrawn, that member

may not thereafter request consideration for promotion into the Senior Foreign Service.

(2) Decisions by the Secretary on the numbers of individuals to be promoted into and retained in the Senior Foreign Service shall be based upon a systematic long-term projection of personnel flows and needs designed to provide—

- (A) a regular, predictable flow of recruitment in the Service;
- (B) effective career development patterns to meet the needs of the Service; and
- (C) a regular, predictable flow of talent upward through the ranks and into the Senior Foreign Service.

(3) The affidavit requirements of sections 3332 and 3333(a) of title 5 shall not apply with respect to a member of the Service who has previously complied with those requirements and who subsequently is promoted by appointment to any class in the Senior Foreign Service without a break in service.

(4) Not later than March 1, 2001, and every four years thereafter, the Secretary of State shall submit a report to the Speaker of the House of Representatives and to the Committee on Foreign Relations of the Senate which shall include the following:

(A) A description of the steps taken and planned in furtherance of—

- (i) maximum compatibility among agencies utilizing the Foreign Service personnel system, as provided for in section 3923 of this title, and
- (ii) the development of uniform policies and procedures and consolidated personnel functions, as provided for in section 3924 of this title.

(B) A workforce plan for the subsequent five years, including projected personnel needs, by grade and by skill. Each such plan shall include for each category the needs for foreign language proficiency, geographic and functional expertise, and specialist technical skills. Each workforce plan shall specifically account for the training needs of Foreign Service personnel and shall delineate an intake program of generalist and specialist Foreign Service personnel to meet projected future requirements.

(5) If there are substantial modifications to any workforce plan under paragraph (4)(B) during any year in which a report under paragraph (4) is not required, a supplemental annual notification shall be submitted in the same manner as reports are required to be submitted under paragraph (4).

may continue to serve only under limited extensions of their career appointments. Such limited extensions may not exceed 5 years in duration and may be granted and renewed by the Secretary in accordance with the recommendations of selection boards established under section 4002 of this title. Members of the Service serving under such limited career extensions shall continue to be career members of the Service.

The review shall include an opportunity for the member to be heard.

(b) In any case where the administrative review conducted under subsection (a) of this section substantiates that a career member of the Service has failed to meet the standards of performance for his or her class, the member shall be retired from the Service and receive benefits in accordance with section 4009 of this title.

The employing agency shall deposit in the Fund the amounts deducted and withheld from basic salary and the amounts contributed by the employing agency.

(2) Notwithstanding the percentage limitation contained in paragraph (1) of this subsection—

(A) the employing agency shall deduct and withhold from the basic pay of a Foreign Service criminal investigator/inspector of the Office of the Inspector General, Agency for International Development, who is qualified to have his annuity computed in the same manner as that of a law enforcement officer pursuant to section 8339(d) of title 5, an amount equal to that to be withheld from a law enforcement officer pursuant to section 8334(a)(1) of title 5, plus an amount equal to .25 percent of basic pay. Each participant shall be deemed to consent and agree to such deductions from basic salary. Payment less such deductions shall be a full and complete discharge and acquittance of all claims and demands whatsoever for all regular services during the period covered by such payment, except the right to the benefits to which the participant shall be entitled under this chapter, notwithstanding any law, rule, or regulation affecting the salary of the individual.

(c) Transfer of contributions from other Government retirement fund

Each such member shall be deemed to consent to the transfer of such funds, and such transfer shall be a complete discharge and acquittance of all claims and demands against the other Government retirement fund on account of service rendered by such member prior to becoming a participant in the System.

(2) A member of the Service whose contributions are transferred to the Fund pursuant to paragraph (1) shall not be required to make additional contributions for periods of service for which required contributions were made to the other Government retirement fund; nor shall any refund be made to any such member on account of contributions made during any period to the other Government retirement fund at a higher rate than that fixed by subsection (d) of this section.

(3) Special contributions under this subsection shall include interest computed from the midpoint of each service period included in the computation, or from the date refund was paid, to the date of payment of the special contribution or commencing date of annuity, whichever is earlier. ²Interest shall be compounded at the annual rate of 4 percent to December 31, 1976, and 3 percent thereafter. No interest shall be charged on special contributions for any period of separation from Government service which began before October 1, 1956. (6) Subject to paragraph (4) and subsection (h) of this section, for purposes of applying this subsection with respect to prior service as a special

agent, the percentages of basic pay set forth in section 8334(c) of title 5, with respect to a law enforcement officer, shall apply instead of the percentages set forth in paragraph (1).

(e) Contribution for military or naval service

The amount of such payments shall be based on such evidence of basic pay for military service as the participant may provide or if the Secretary determines sufficient evidence has not been so provided to adequately determine basic pay for military or naval service, such payment shall be based upon estimates of such basic pay provided to the Department under paragraph (4).

(2) Any deposit made under paragraph (1) of this subsection more than two years after the later of—

(A) October 17, 1983, or

(B) the date on which the participant making the deposit first became a participant in a Federal staff retirement system for civilian employees,—

shall include interest on such amount computed and compounded annually beginning on the date of the expiration of the two-year period. The interest rate that is applicable in computing interest in any year under this paragraph shall be equal to the interest rate that is applicable for such year under subsection (d) of this section.

(3) Any payment received by the Secretary under this section shall be remitted to the Fund.

(4) The Secretary of Defense, the Secretary of Transportation, the Secretary of Commerce, or the Secretary of Health and Human Services, as appropriate, shall furnish such information to the Secretary as the Secretary may determine to be necessary for the administration of this subsection.

(f) Exemption for certain military or naval service

Contributions shall only be required to obtain credit for periods of military or naval service to the extent provided under subsection (e) of this section and section 4056(a) of this title, except that credit shall be allowed in the absence of contributions to individuals of Japanese ancestry under section 4056 of this title for periods of internment during World War II.

(g) Time of payment; offset against initial annuity accruals

A participant or survivor may make a special contribution at any time before receipt of annuity and may authorize payment by offset against initial annuity accruals.

(6)(A) The annuity of a special agent under this part shall be computed under paragraph (1) except that, in the case of a special agent described in subparagraph (B), paragraph (1) shall be applied by substituting for “2 percent”—

(i) the percentage under subparagraph (A) of section 8339(d)(1) of title 5 for so much of the participant's total service as is specified thereunder; and

(ii) the percentage under subparagraph (B) of section 8339(d)(1) of title 5 for so much of the participant's total service as is specified thereunder.

(C) For purposes of subparagraph (B), included with the years of service performed by an individual as a special agent shall be any service performed by such individual as a law enforcement officer (within the meaning of section 8331(20) or section 8401(17) of title 5), or a member of the Capitol Police.

(7) In the case of a special agent who becomes or became subject to part II of this subchapter—

(A) for purposes of paragraph (6)(B), any service performed by the individual as a special agent (whether under this part or under part II of this subchapter), as a law enforcement officer (within the meaning of section 8331(20) or section 8401(17) of title 5), or as a member of the Capitol Police shall be creditable; and

(b) Married participants

(1)(A) Except to the extent provided otherwise under a written election under subparagraph (B) or (C), if at the time of retirement a participant or former participant is married (or has a former spouse who has not remarried before attaining age 60), the participant shall receive a reduced annuity and provide a survivor annuity

for his or her spouse under this subsection or former spouse under section 4054(b) of this title, or a combination of such annuities, as the case may be.

(B) At the time of retirement, a married participant or former participant and his or her spouse may jointly elect in writing to waive a survivor annuity for that spouse under this section (or under section 4054(b) of this title if the spouse later qualifies as a former spouse under section 4044(6) of this title), or to reduce such survivor annuity under this section (or section 4054(b) of this title) by designating a portion of the annuity of the participant as the base for the survivor benefit. In the event the marriage is dissolved following an election for such a reduced annuity and the spouse qualifies as a former spouse, the base used in calculating any annuity of the former spouse under section 4054(b) of this title may not exceed the portion of the participant's annuity designated under this subparagraph.

(C) If a participant or former participant has a former spouse, the participant and such former spouse may jointly elect by spousal agreement under section 4060(b)(1) of this title to waive a survivor annuity under section 4054(b) of this title for that former spouse if the election is made (i) before the end of the 24-month period after the divorce or annulment involving that former spouse becomes final or (ii) at the time of retirement, whichever occurs first.

(D) The Secretary of State may prescribe regulations under which a participant or former participant may make an election under subparagraph (B) or (C) without the participant's spouse or former spouse if the participant establishes to the satisfaction of the Secretary of State that the participant does not know, and has taken all reasonable steps to determine, the whereabouts of the spouse or former spouse.

(2) The annuity of a participant or former participant providing a survivor benefit under this section (or section 4054(b) of this title), excluding any portion of the annuity not designated or committed as a base for any survivor annuity, shall be reduced by 2½ percent of the first \$3,600 plus 10 percent of any amount over \$3,600. The reduction under this paragraph shall be calculated before any reduction under section 4054(a)(5) of this title.

(3)(A) If a former participant entitled to receive a reduced annuity under this subsection dies and is survived by a spouse, a survivor annuity shall be paid to the surviving spouse equal to 55 percent of the full amount of the participant's annuity computed under subsection (a) of this section, or 55 percent of any lesser amount elected as the base for the survivor benefit under paragraph (1)(B).

(B) Notwithstanding subparagraph (A), the amount of the annuity calculated under subparagraph (A) for a surviving spouse in any case in which there is also a surviving former spouse of the participant who qualifies for an annuity under section 4054(b) of this title may not exceed 55 percent of the portion (if any) of the base for survivor benefits which remains available under section 4054(b)(4)(B) of this title.

(C) An annuity payable from the Fund under this part to a surviving spouse under this para-

graph shall commence on the day after the participant dies and shall terminate on the last day of the month before the surviving spouse's death or remarriage before attaining age 60. If such a survivor annuity is terminated because of remarriage, it shall be restored at the same rate commencing on the date such remarriage is terminated if any lump sum paid upon termination of the annuity is returned to the Fund.

(c) Surviving children

(1) If an annuitant who was a participant dies and is survived by a spouse or a former spouse who is the natural or adoptive parent of a surviving child of the annuitant and by a child or children, in addition to the annuity payable to the surviving spouse, there shall be paid to or on behalf of each child an annuity equal to the smaller of—

(A) \$900, or

(B) \$2,700 divided by the number of children.

(2) If an annuitant who was a participant dies and is not survived by a spouse or a former spouse who is the natural or adoptive parent of a surviving child of the annuitant but by a child or children, each surviving child shall be paid an annuity equal to the smaller of—

(A) \$1,080, or

(B) \$3,240 divided by the number of children.

(3) The amounts specified in this subsection are subject to—

(A) cost-of-living adjustments as specified under section 4066(c)(3) of this title, and

(B) the minimum specified in subsection (d)(2) of this section.

(d) Recomputation for remaining children

On the death of the surviving spouse or former spouse or termination of the annuity of a child, the annuity of any other child or children shall be recomputed and paid as though the spouse, former spouse, or child had not survived the participant. If the annuity to a surviving child who has not been receiving an annuity is initiated or resumed, the annuities of any other children shall be recomputed and paid from that date as though the annuities to all currently eligible children in the family were then being initiated.

(e) Payment period for child

The annuity payable to a child under subsection (c) or (d) of this section shall begin on the day after the participant dies, or if the child is not then qualified, on the first day of the month in which the child becomes eligible. The annuity of a child shall terminate on the last day of the month which precedes the month in which eligibility ceases.

(f) Unmarried participants

At the time of retirement an unmarried participant who does not have a former spouse for whose benefit a reduction is made under subsection (b) of this section may elect to receive a reduced annuity and to provide for an annuity equal to 55 percent of the reduced annuity payable after his or her death to a beneficiary whose name is designated in writing to the Secretary of State. The annuity payable to a participant making such election shall be reduced by 10 percent of an annuity computed under sub-

section (a) of this section and by 5 percent of an annuity so computed for each full 5 years the designated beneficiary is younger than the retiring participant, but such total reduction shall not exceed 40 percent. No such election of a reduced annuity payable to a beneficiary shall be valid until the participant has satisfactorily passed a physical examination as prescribed by the Secretary of State. The annuity payable to a beneficiary under this subsection shall begin on the day after the annuitant dies and shall terminate on the last day of the month preceding the death of the beneficiary. An annuity which is reduced under this subsection (or any similar prior provision of law) shall, effective the first day of the month following the death of the beneficiary named under this subsection, be recomputed and paid as if the annuity had not been so reduced.

(g) Marriage after retirement

A participant or former participant who was unmarried at retirement and who later marries may, within one year after such marriage, irrevocably elect in writing to receive a reduced annuity and to provide a survivor annuity for the spouse (if such spouse qualifies as a surviving spouse under section 4044(13) of this title). Receipt by the Secretary of State of notice of an election under this subsection voids prospectively any election previously made under subsection (f) of this section. The reduction in annuity required by an election under this subsection shall be computed and the amount of the survivor annuity shall be determined in accordance with subsections (b)(2) and (3) of this section. The annuity reduction or recomputation shall be effective the first day of the month beginning one year after the date of marriage.

(h) Election of benefits

A surviving spouse or surviving former spouse of any participant or former participant shall not become entitled to a survivor annuity or to the restoration of a survivor annuity payable from the Fund under this part unless the survivor elects to receive it instead of any other survivor annuity to which he or she may be entitled under this or any other retirement system for Government employees on the basis of a marriage to someone other than that participant.

(i) Reversion to retired status

(1) Any married annuitant who reverts to retired status with entitlement to a supplemental annuity under section 4063 of this title shall, unless the annuitant and his or her spouse jointly elect in writing to the contrary at that time, have the supplemental annuity reduced by 10 percent to provide a supplemental survivor annuity for his or her spouse. Such supplemental survivor annuity shall be equal to 55 percent of the supplemental annuity of the annuitant and shall be payable to a surviving spouse to whom the annuitant was married at the time of reversion to retired status or whom the annuitant subsequently married.

(2) The Secretary of State shall issue regulations to provide for the application of paragraph (1) of this subsection and of section 4063 of this title in any case in which an annuitant has a

former spouse who was married to the participant at any time during a period of recall service and who qualifies for an annuity under this part.

(j) Recomputation upon dissolution of marriage; election after remarriage

An annuity which is reduced under this section or any similar prior provision of law to provide a survivor benefit for a spouse shall, if the marriage of the participant to such spouse is dissolved, be recomputed and paid for each full month during which an annuitant is not married (or is remarried if there is no election in effect under the following sentence) as if the annuity had not been so reduced, subject to any reduction required to provide a survivor benefit under section 4054(b) or (c) of this title. Upon remarriage the retired participant may irrevocably elect, by means of a signed writing received by the Secretary within one year after such remarriage, to receive during such marriage a reduction in annuity for the purpose of allowing an annuity for the new spouse of the annuitant in the event such spouse survives the annuitant. Such reduction shall be equal to the reduction in effect immediately before the dissolution of the previous marriage (unless such reduction is adjusted under section 4054(b)(5) of this title), and shall be effective the first day of the first month beginning one year after the date of remarriage. A survivor annuity elected under this subsection shall be treated in all respects as a survivor annuity under subsection (b) of this section.

(k) Informing of rights by Secretary

The Secretary of State shall, on an annual basis—

(1) inform each participant of his or her right of election under subsections (g) and (j) of this section; and

(2) to the maximum extent practicable, inform spouses or former spouses of participants or former participants of their rights under this section and section 4054 of this title.

(m) Offset of Social Security benefits

The retirement, disability, or survivor annuity payable to any person based on the service of an individual subject to section 4045(h) of this title beginning with the first day of the month for which such person first becomes—

(1) eligible for an annuity under this part based on the service of such individual, and

(2) entitled, or would, upon proper application, be entitled to old age, disability, or survivor benefits under title II of the Social Security Act [42 U.S.C. 401 et seq.], based on the service of such individual under this part,

shall be computed as if section 8349 of title 5 were applicable.

(n) 18-month period to elect survivor annuity

(1)(A) A participant—

(i) who, at the time of retirement, is married; and

(ii) who elects at such time (in accordance with subsection (b) of this section) to waive a survivor annuity,

may, during the 18-month period beginning on the date of the retirement of such participant, elect to have a reduction under subsection (b) of this section made in the annuity of the participant (or in such portion thereof as the participant may designate) in order to provide a survivor annuity for the spouse of such participant.

(B) A participant—

(i) who, at the time of retirement, is married, and

(ii) who at such time designates (in accordance with subsection (b) of this section) that a limited portion of the annuity of such participant is to be used as the base for a survivor annuity,

may, during the 18-month period beginning on the date of the retirement of such participant, elect to have a greater portion of the annuity of such participant so used.

(2)(A) An election under subparagraph (A) or (B) of paragraph (1) of this subsection shall not be considered effective unless the amount specified in subparagraph (B) of this paragraph is deposited into the Fund before the expiration of the applicable 18-month period under paragraph (1).

(B) The amount to be deposited with respect to an election under this subsection is an amount equal to the sum of—

(i) the additional cost to the System which is associated with providing a survivor annuity under subsection (b) of this section and results from such election taking into account (I) the difference (for the period between the date on which the annuity of the former participant commences and the date of the election) between the amount paid to such former participant under this part and the amount which would have been paid if such election had been made at the time the participant or former participant applied for the annuity, and (II) the costs associated with providing the later election; and

(ii) interest on the additional cost determined under clause (i)(I) of this subparagraph computed using the interest rate specified or determined under section 4045(d)(3) of this title for the calendar year in which the amount to be deposited is determined.

(3) An election by a participant under this subsection voids prospectively any election previously made in the case of such participant under subsection (b) of this section.

(4) An annuity which is reduced in connection with an election under this subsection shall be reduced by the same percentage reductions as were in effect at the time of the retirement of the participant whose annuity is so reduced.

(5) Rights and obligations resulting from the election of a reduced annuity under this subsection shall be the same as the rights and obligations which would have resulted had the participant involved elected such annuity at the time of retiring.

ELECTION TO PROVIDE SURVIVOR ANNUITY FOR CERTAIN SPOUSES ACQUIRED BEFORE EFFECTIVE DATE OF FOREIGN SERVICE ACT OF 1980

Section 203 of title II of Pub. L. 100-238 provided that:

“(a) ELECTION.—A former participant who married his or her current spouse before the effective date of the Foreign Service Act of 1980 [see Effective Date note set out under section 3901 of this title] and who married such spouse after retirement under the Foreign Service Retirement and Disability System and who was unable to provide a survivor annuity for such spouse because—

“(1) the participant was married at the time of retirement and elected not to provide a survivor annuity for that spouse at the time of retirement, or

“(2) subject to subsection (e), the participant failed to notify the Secretary of State of the participant’s post-retirement marriage within one year after the marriage,

may make the election described in subsection (b).

“(b) ELECTION DESCRIBED.—

“(1) The election referred to in subsection (a) is an election in writing—

“(A) to provide for a survivor annuity for such spouse under section 806(g) of the Foreign Service Act of 1980 (22 U.S.C. 4046(g));

“(B) to have his or her annuity reduced under section 806(b)(2) of such Act; and

“(C) to deposit in the Foreign Service Retirement and Disability Fund an amount determined by the Secretary of State, as nearly as may be administratively feasible, to reflect the amount by which such participant’s annuity would have been reduced had the election been continuously in effect since the annuity commenced, plus interest computed under paragraph (2).

“(2) For the purposes of paragraph (1), the annual rate of interest shall be 6 percent for each year during which the annuity would have been reduced if the election had been in effect on and after the date the annuity commenced.

“(c) OFFSET.—If the participant does not make the deposit referred to in subsection (b)(1)(C), the Secretary of State shall collect such amount by offset against such participant’s annuity, up to a maximum of 25 percent of the net annuity otherwise payable to such participant. Such participant is deemed to consent to such offset.

“(d) NOTICE.—The Secretary of State shall provide for notice to the general public of the right to make an election under this section.

“(e) PROOF OF ATTEMPTED ELECTION.—In any case in which subsection (a)(2) applies, the retired employee or Member shall provide the Secretary of State with such documentation as the Secretary of State shall decide is appropriate, to show that such participant attempted to elect a reduced annuity with survivor benefit for his or her current spouse and that such election was rejected by the Secretary of State because it was untimely filed.

“(f) DEPOSIT.—A deposit required by this subsection may be made by the surviving spouse of the participant.

“(g) LIMITATION.—The election authorized in subsection (a) may only be made within one year after the date of enactment of this title [Jan. 8, 1988] in accordance with procedures prescribed by the Secretary of State.

§ 4047. Payment of annuity**(a) Commencement of annuity**

(1) Except as otherwise provided in paragraph (2), the annuity of a participant who has met the eligibility requirements for an annuity shall commence on the first day of the month after—

(A) separation from the Service occurs; or

(B) pay ceases and the service and age requirements for entitlement to annuity are met.

(2) The annuity of—

(A) a participant who is retired and is eligible for benefits under section 4009(a) of this title or a participant who is retired under section 4053 of this title or is otherwise involuntarily separated from the Service, except by removal for cause on charges of misconduct or delinquency,

(B) a participant retiring under section 4048 of this title due to a disability, and

(C) a participant who serves 3 days or less in the month of retirement—

shall commence on the day after separation from the Service or the day after pay ceases and the requirements for entitlement to annuity are met.

(b) Survivor's annuity; application; proof of eligibility; payment to estate

The annuity to a survivor shall become effective as otherwise specified but shall not be paid until the survivor submits an application for such annuity, supported by such proof of eligibility as the Secretary of State may require. If such application or proof of eligibility is not submitted during the lifetime of an otherwise eligible individual, no annuity shall be due or payable to his or her estate.

(c) Waiver

An individual entitled to annuity from the Fund may decline to accept all or any part of the annuity by submitting a signed waiver to the Secretary of State. The waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.

(d) Recovery of overpayment

Recovery of overpayments under this part may not be made from an individual when, in the judgment of the Secretary of State, the individual is without fault and recovery would be against equity and good conscience or administratively infeasible.

(e) Alternate forms of annuities

(1) The Secretary of State shall prescribe regulations under which any participant who has a life-threatening affliction or other critical medical condition may, at the time of retiring under this part (other than under section 4048 of this title), elect annuity benefits under this section instead of any other benefits under this part (including survivor benefits) based on the service of the participant.

(2) Subject to paragraph (3), the Secretary of State shall by regulation provide for such alternative forms of annuities as the Secretary considers appropriate, except that among the alternatives offered shall be—

(A) an alternative which provides for—

(i) payment of the lump-sum credit (excluding interest) to the participant; and

(ii) payment of an annuity to the participant for life; and

(B) in the case of a participant who is married at the time of retirement, an alternative which provides for—

(i) payment of the lump-sum credit (excluding interest) to the participant; and

(ii) payment of an annuity to the participant for life, with a survivor annuity payable for the life of a surviving spouse.

(3) Each alternative provided for under paragraph (2) shall, to the extent practicable, be designed such that the total value of the benefits provided under such alternative (including any lump-sum credit) is actuarially equivalent to the value of the annuity which would otherwise be provided the participant under this part, as computed under section 4046(a) of this title.

(4) A participant who, at the time of retiring under this part—

(A) is married, shall be ineligible to make an election under this section unless a waiver is made under section 4046(b)(1)(B) of this title; or

(B) has a former spouse, shall be ineligible to make an election under this section if the former spouse is entitled to benefits under this part (based on the service of the participant) unless a waiver has been made under section 4046(b)(1)(C) of this title.

(5) A participant who is married at the time of retiring under this part and who makes an election under this section may, during the 18-month period beginning on the date of retirement, make the election provided for under section 4046(n) of this title, subject to the deposit requirement thereunder.

(6) Notwithstanding any other provision of law, any lump-sum credit provided pursuant to an election under this subsection shall not preclude an individual from receiving any other benefits under this subsection.

The annuity of a former participant who is entitled to a deferred annuity under this chapter shall become effective on the day he or she attains age 60.”

EFFECTIVE DATE OF 1993 AMENDMENT

Amendment by Pub. L. 103-66 effective Oct. 1, 1994, and applicable with respect to any annuity commenc-

EFFECTIVE DATE OF 1983 AMENDMENT

Amendment by Ex. Ord. No. 12446 effective 30 days after Oct. 17, 1983, see section 3(b) of Ex. Ord. No. 12446, set out under section 4067 of this title.

§ 4048. Retirement for disability or incapacity

(a) Causes; service credit

Any participant who has at least 5 years of service credit toward retirement under the System (excluding military and naval service) and who becomes totally disabled or incapacitated for useful and efficient service by reason of disease, illness, or injury (not due to vicious habits, intemperance, or willful conduct of the participant) shall, upon his or her own application or upon order of the Secretary, be retired on an annuity computed as prescribed in section 4046 of this title. If the disabled or incapacitated participant has less than 20 years of service credit toward retirement under the System at the time of retirement, his or her annuity shall be computed on the assumption that the participant has had 20 years of service, except that the additional service credit that may accrue to a participant under this sentence shall in no case exceed the difference between his or her age at the time of retirement and age 60.

However, if a participant retiring under this section is receiving retired pay or retainer pay for military service (except that specified in section 8332(c)(1) or (2) of title 5) or Department of Veterans Affairs pension or compensation in lieu of such retired pay or retainer pay, the annuity of that participant shall be computed under this part excluding extra credit authorized by this subsection and excluding credit for military service from that computation. If the amount of the annuity so computed, plus the retired or retainer pay which is received, or which would be received but for the application of the limitation in section 5532¹ of title 5 or the Department of Veterans Affairs pension or compensation in lieu of such retired pay or retainer pay, is less than the annuity that would be payable under this part in the absence of the previous sentence, an amount equal to the difference shall be added to the annuity computed under this part.

(b) Physical examination; reinstatement or reappointment upon recovery; fees and expenses; duration and suspension of annuity

Before being retired under this section, the participant shall be given a physical examination by one or more duly qualified physicians or surgeons designated by the Secretary of State to conduct examinations. Disability or incapacity shall be determined by the Secretary of State on the basis of the advice of such physicians or surgeons. Unless the disability or incapacity is permanent, like examinations shall be made annu-

ally until the annuitant has attained age 60. If the Secretary of State determines on the basis of the advice of one or more duly qualified physicians or surgeons conducting such examinations that an annuitant has recovered to the extent that he or she can return to duty, the annuitant may apply for reinstatement or reappointment in the Service within 1 year from the date recovery is determined. Upon application, the Secretary shall reinstate such recovered annuitant in the class in which the annuitant was serving at time of retirement, or the Secretary may, taking into consideration the age, qualifications, and experience of such annuitant, and the present class of his or her contemporaries in the Service, appoint or recommend that the President appoint the annuitant to a higher class. Payment of the annuity shall continue until a date 6 months after the date of the examination showing recovery or until the date of reinstatement or reappointment in the Service, whichever is earlier. Fees for examinations under this section, together with reasonable traveling and other expenses incurred in order to submit to examination, shall be paid out of the Fund. If the annuitant fails to submit to examination as required under this subsection, payment of the annuity shall be suspended until continuance of the disability or incapacity is satisfactorily established.

(c) Benefits upon discontinuance of annuity

If a recovered annuitant whose annuity is discontinued is for any reason not reinstated or reappointed in the Service, he or she shall be considered to have been separated within the meaning of section 4050 of this title as of the date of retirement for disability or incapacity and shall, after the discontinuance of the annuity, be entitled to the benefits of that section or of section 4055 of this title, except that he or she may elect voluntary retirement if eligible under section 4051 of this title.

(d) Election of benefits; concurrent benefits allowed

No participant shall be entitled to receive an annuity under this part and compensation for injury or disability to himself or herself under subchapter I of chapter 81 of title 5, covering the same period of time, except that a participant may simultaneously receive both an annuity under this section and scheduled disability payments under section 8107 of title 5. This subsection shall not bar the right of any claimant to the greater benefit conferred by either this part or subchapter I of such chapter 8² for any part of the same period of time. Neither this subsection nor any provision of subchapter I of such chapter 8² shall be construed to deny the right of any participant to receive an annuity under this part and to receive concurrently any payment under subchapter I of such chapter 8² by reason of the death of any other individual.

(e) Lump sum disability payments

Notwithstanding any other law, the right of any individual entitled to an annuity under this part shall not be affected because such person has received an award of compensation in a

lump sum under section 8135 of title 5, except that where such annuity is payable on account of the same disability for which compensation under such section has been paid, so much of such compensation as has been paid for any period extended beyond the date such annuity becomes effective, as determined by the Secretary of Labor, shall be refunded to the Department of Labor, to be paid into the Federal Employees' Compensation Fund. Before such individual receives such annuity, he or she shall—

(1) refund to the Department of Labor the amount representing such commuted payments for such extended period, or

(2) authorize the deduction of such amount from the annuity payable under this part, which amount shall be transmitted to the Department of Labor for reimbursement to such Fund.

Deductions from such annuity may be made from accrued and accruing payments, or may be prorated against and paid from accruing payments in such manner as the Secretary of Labor shall determine, whenever the Secretary of Labor finds that the financial circumstances of the annuitant warrant deferred refunding.

(f) Time of filing application; waiver

A claim may be allowed under this section only if the application is filed with the Secretary of State before the participant is separated from the Service or within one year thereafter. This time limitation may be waived by the Secretary of State for a participant who at the date of separation from the Service or within one year thereafter is mentally incompetent, if the application is filed with the Secretary of State within one year from the date of restoration of the participant to competency or the appointment of a fiduciary, whichever is earlier.

EFFECTIVE DATE OF 1981 AMENDMENT

Amendment by Ex. Ord. No. 12289 effective Feb. 15, 1981, see section 3 of Ex. Ord. No. 12289, set out under section 4067 of this title.

§ 4049. Death in service

(a) Lump-sum credit

If a participant dies and no claim for annuity is payable under this part, the lump-sum credit shall be paid in accordance with section 4055 of this title.

(b) Surviving spouse

If a participant who has at least 18 months of civilian service credit toward retirement under the System dies before retirement or other separation from the Service and is survived by a spouse or former spouse qualifying for an annuity under section 4054(b) of this title, such surviving spouse shall be entitled to an annuity equal to 55 percent of the annuity computed in accordance with subsections (e) and (g) of this section and section 4046(a) of this title and any surviving former spouse shall be entitled to an annuity under section 4054(b) of this title as if the participant died after being entitled to an annuity under this part. If the participant had less than 3 years creditable civilian service at the time of death, the survivor annuity shall be computed on the basis of the average salary for the entire period of such service.

(c) Surviving spouse or former spouse, and children

If a participant who has at least 18 months of civilian service credit toward retirement under the System dies before retirement or other separation from the Service and is survived by a spouse or a former spouse who is the natural or adoptive parent of a surviving child of the annuitant, and a child or children, each surviving child shall be entitled to an annuity computed in accordance with subsections (c)(1) and (d) of section 4046 of this title.

(d) Surviving children

If a participant who has at least 18 months of civilian service credit toward retirement under the System dies before retirement or other separation from the Service and is not survived by a spouse, or a former spouse who is the natural or adoptive parent of a surviving child of the annuitant, but by a child or children, each surviving child shall be entitled to an annuity computed in accordance with subsections (c)(2) and (d) of section 4046 of this title.

(e) Service credit; presumption of qualification

If, at the time of his or her death, the participant had less than 20 years of service credit toward retirement under the System, the annuity payable in accordance with subsection (b) of this section shall be computed in accordance with section 4046 of this title on the assumption he or she has had 20 years of service, except that the additional service credit that may accrue to a

deceased participant under this subsection shall in no case exceed the difference between his or her age on the date of death and age 60. In all cases arising under this subsection or subsection (b), (c), (d), or (g) of this section, it shall be assumed that the deceased participant was qualified for retirement on the date of death.

(f) Recall service

If an annuitant entitled to a reduced annuity dies in service after being recalled under section 3948 of this title and is survived by a spouse or former spouse entitled to a survivor annuity based on the service of such annuitant, such survivor annuity shall be computed as if the recall service had otherwise terminated on the day of death and the annuity of the deceased had been resumed in accordance with section 4063 of this title. If such death occurs after the annuitant had completed sufficient recall service to attain eligibility for a supplemental annuity, a surviving spouse or surviving former spouse who was married to the participant at any time during a period of recall service shall be entitled to elect, in addition to any other benefits and in lieu of a refund of retirement contributions made during the recall service, a supplemental survivor annuity computed and paid under section 4046(i) of this title as if the recall service had otherwise terminated. If the annuitant had completed sufficient recall service to attain eligibility to have his or her annuity determined anew, a surviving spouse or such a surviving former spouse may elect, in lieu of any other survivor benefit under this subchapter, to have the rights of the annuitant redetermined and to receive a survivor annuity computed under subsection (b) of this section on the basis of the total service of the annuitant.

(g) Limitation on surviving spouse's annuity

Notwithstanding subsection (b) of this section, if the participant or former participant had a former spouse qualifying for an annuity under section 4054(b) of this title, the annuity of the spouse under this section shall be subject to the limitation of section 4046(b)(3)(B) of this title.

(h) Commencement, termination, and resumption of annuities

Annuities that become payable under this section shall commence, terminate, and be resumed in accordance with subsection (b)(4), (e), or (h) of section 4046 of this title, as appropriate.

shall be separated from the Service on the last day of the month in which such individual under subparagraph (A) or such Foreign Service criminal investigator/inspector under subparagraph (B) attains 57 years of age or completes 20 years of service if then over that age. “(b) Subsection (a) of this section shall not apply with respect to a participant, if the Secretary of State

determines that reassignment of the participant is not in the interest of the United States and the Foreign Service.

“(c) A participant who is not reassigned under subsection (a) of this section shall be retired from the Service and receive retirement benefits in accordance with section 4046 or 4071d of this title, as appropriate.”

§ 4054. Former spouses

(a) Living Service members

(1) Unless otherwise expressly provided by any spousal agreement or court order under section 4060(b)(1) of this title, a former spouse of a participant or former participant is entitled to an annuity if such former spouse was married to the participant for at least 10 years during service of the participant which is creditable under this subchapter with at least 5 of such years occurring while the participant was a member of the Foreign Service and—

(A) if married to the participant throughout the creditable service of the participant, equal to 50 percent of the annuity of the participant; or

(B) if not married to the participant throughout such creditable service, equal to that former spouse's pro rata share of 50 percent of such annuity.

For the purposes of this paragraph, the term “creditable service” means service which is creditable under part I or II of this subchapter.

(2) A former spouse shall not be qualified for an annuity under this subsection if before the commencement of that annuity the former spouse remarries before becoming 60 years of age.

(3) The annuity of a former spouse under this subsection commences on the later of the day the participant upon whose service the annuity is based becomes entitled to an annuity under this part or the first day of the month in which the divorce or annulment involved becomes final. The annuity of such former spouse and the right thereto terminate on—

(A) the last day of the month before the former spouse dies or remarries before 60 years of age; or

(B) the date the annuity of the participant terminates (except in the case of an annuity subject to paragraph (5)(B)).

(4) No spousal agreement or court order under section 4060(b)(1) of this title involving any participant may provide for an annuity or any combination of annuities under this subsection which exceeds the annuity of the participant, nor may any such court order relating to an annuity under this subsection be given effect if it is issued more than 24 months after the date the divorce or annulment involved becomes final.

(5)(A) The annuity payable to any participant shall be reduced by the amount of an annuity

under this subsection paid to any former spouse based upon the service of that participant. Such reduction shall be disregarded in calculating the survivor annuity for any spouse, former spouse, or other survivor under this part, and in calculating any reduction in the annuity of the participant to provide survivor benefits under subsection (b) of this section or section 4046(b)(3) of this title.

(B) If any annuitant whose annuity is reduced under subparagraph (A) is recalled to service under section 3948 of this title, or reinstated or reappointed in the Service in the case of a recovered disability annuitant or if any annuitant is reemployed as provided for under section 4064 of this title, the salary of that annuitant shall be reduced by the same amount as the annuity would have been reduced if it had continued. Amounts equal to the reductions under this subparagraph shall be deposited in the Treasury of the United States to the credit of the Fund.

(6) Notwithstanding paragraph (3), in the case of any former spouse of a disability annuitant—

(A) the annuity of that former spouse shall commence on the date the participant would qualify on the basis of his or her creditable service for an annuity under this part (other than a disability annuity) or the date the disability annuity begins, whichever is later, and

(B) the amount of the annuity of the former spouse shall be calculated on the basis of the annuity for which the participant would otherwise so qualify.

(7) An annuity under this subsection shall be treated the same as a survivor annuity under subsection (b) of this section for purposes of section 4046(h) of this title or any comparable provision of law.

(b) Deceased Service members

(1) Subject to any election under section 4046(b)(1)(C) of this title and unless otherwise expressly provided by any spousal agreement or court order under section 4060(b)(1) of this title, if a former participant who is entitled to receive an annuity is survived by a former spouse, the former spouse shall be entitled to a survivor annuity—

(A) if married to the participant throughout the creditable service of the participant, equal to 55 percent of the full amount of the participant's annuity, as computed under section 4046(a) of this title; or

(B) if not married to the participant throughout such creditable service, equal to that former spouse's pro rata share of 55 percent of the full amount of such annuity.

For the purposes of this paragraph, the term “creditable service” means service which is creditable under part I or II of this subchapter.

(2) A former spouse shall not be qualified for an annuity under this subsection if before the commencement of that annuity the former spouse remarries before becoming 60 years of age.

(3) An annuity payable from the Fund under this part to a surviving former spouse under this subsection shall commence on the day after the annuitant dies and shall terminate on the last day of the month before the former spouse's

death or remarriage before attaining age 60. If such a survivor annuity is terminated because of remarriage, it shall be restored at the same rate commencing on the date such remarriage is terminated if any lump sum paid upon termination of the annuity is returned to the Fund.

(4)(A) The maximum survivor annuity or combination of survivor annuities under this section (and section 4046(b)(3) of this title) with respect to any participant or former participant may not exceed 55 percent of the full amount of the participant's annuity, as calculated under section 4046(a) of this title.

(B) Once a survivor annuity has been provided for under this subsection for any former spouse, a survivor annuity may thereafter be provided for under this subsection (or section 4046(b)(3) of this title) with respect to a participant or former participant only for that portion (if any) of the maximum available which is not committed for survivor benefits for any former spouse whose prospective right to such annuity has not terminated by reason of death or remarriage.

(C) After the death of a participant or former participant, a court order under section 4060(b)(1) of this title may not adjust the amount of the annuity of any former spouse under this section.

(5)(A) For each full month after a former spouse of a participant or former participant dies or remarries before attaining age 60, the annuity of the participant, if reduced to provide a survivor annuity for that former spouse, shall be recomputed and paid as if the annuity had not been so reduced, unless an election is in effect under subparagraph (B).

(B) Subject to paragraph (4)(B), the participant may elect in writing within one year after receipt of notice of the death or remarriage of the former spouse to continue the reduction in order to provide a higher survivor annuity under section 4046(b)(3) of this title for any spouse of the participant.

(c) Additional survivor annuity

(1) In the case of any participant or former participant providing a survivor annuity benefit under subsection (b) of this section for a former spouse—

(A) such participant may elect, or

(B) a spousal agreement or court order under section 4060(b)(1) of this title may provide for, an additional survivor annuity under this subsection for any other former spouse or spouse surviving the participant, if the participant satisfactorily passes a physical examination as prescribed by the Secretary of State.

(2) Neither the total amount of survivor annuity or annuities under this subsection with respect to any participant or former participant, nor the survivor annuity or annuities for any one surviving spouse or former spouse of such participant under this section and section 4046 of this title, shall exceed 55 percent of the full amount of the participant's annuity, as computed under section 4046(a) of this title.

(3)(A) In accordance with regulations which the Secretary of State shall prescribe, the participant involved may provide for any annuity under this subsection—

(i) by a reduction in the annuity or an allotment from the salary of the participant,

(ii) by a lump sum payment or installment payments to the Fund, or

(iii) by any combination thereof.

(B) The present value of the total amount to accrue to the Fund under subparagraph (A) to provide any annuity under this subsection shall be actuarially equivalent in value to such annuity, as calculated upon such tables of mortality as may from time to time be prescribed for this purpose by the Secretary of State.

(C) If a former spouse predeceases the participant or remarries before attaining age 60 (or, in the case of a spouse, the spouse does not qualify as a former spouse upon dissolution of the marriage)—

(i) if an annuity reduction or salary allotment under subparagraph (A) is in effect for that spouse or former spouse, the annuity shall be recomputed and paid as if it had not been reduced or the salary allotment terminated, as the case may be, and

(ii) any amount accruing to the Fund under subparagraph (A) shall be refunded, but only to the extent that such amount may have exceeded the actuarial cost of providing benefits under this subsection for the period such benefits were provided, as determined under regulations prescribed by the Secretary of State.

(D) Under regulations prescribed by the Secretary of State, an annuity shall be recomputed (or salary allotment terminated or adjusted), and a refund provided (if appropriate), in a manner comparable to that provided under subparagraph (C), in order to reflect a termination or reduction of future benefits under this subsection for a spouse in the event a former spouse of the participant dies or remarries before attaining age 60 and an increased annuity is provided for that spouse in accordance with this part.

(4) An annuity payable under this subsection to a spouse or former spouse shall commence on the day after the participant dies and shall terminate on the last day of the month before the former spouse's death or remarriage before attaining age 60.

(5) Section 4066 of this title shall not apply to any annuity under this subsection, unless authorized under regulations prescribed by the Secretary of State.

(B) files an application with the Secretary of State for payment of the lump-sum credit;

(C) is not reemployed in a position in which the participant is subject to this subchapter at the time the participant files the application;

(D) will not become eligible to receive an annuity under this part within 31 days after filing the application; and

(E) has notified any spouse or former spouse the participant may have of the application for payment in accordance with regulations prescribed by the Secretary of State.

Such regulations may provide for waiver of subparagraph (E) under circumstances described in section 4046(b)(1)(D) of this title.

(2) Such lump-sum credit shall be paid to the participant and to any former spouse of the participant in accordance with subsection (i) of this section.

(b) Recall service; return of contributions

Whenever an annuitant becomes separated from the Service following a period of recall service without becoming eligible for a supplemental or recomputed annuity under section 4063 of this title, the compulsory contributions of the annuitant to the Fund for such service, together with any special contributions the annuitant may have made for other service performed after the date of separation from the Service which forms the basis for annuity, shall be returned to the annuitant (and any former spouse of the annuitant who was married to the participant during the period of recall service, in accordance with subsection (i) of this section).

(c) Difference between annuity and lump-sum credit

If all annuity rights under this part based on the service of a deceased participant or annuitant terminate before the total annuity paid equals the lump-sum credit to which the participant or annuitant is entitled, the difference shall be paid in accordance with subsection (f) of this section.

(d) Lack of eligible survivors

If a participant or former participant dies and is not survived by an individual eligible for an annuity under this part or by such an individual or individuals all of whose annuity rights terminate before a claim for survivor annuity is filed, the lump-sum credit to which the participant or annuitant is entitled shall be paid in accordance with subsection (f) of this section.

(e) Death of annuitant who was former participant

If an annuitant who was a former participant dies, any annuity accrued and unpaid shall be paid in accordance with subsection (f) of this section.

(f) Order of precedence for payments

Payments under subsections (c) through (e) of this section shall be paid in the following order of precedence to individuals surviving the participant and alive on the date entitlement to the payment arises, upon the establishment of a valid claim therefor, and such payment shall be a bar to recovery by any other person:

(1) To the beneficiary or beneficiaries last designated by the participant before or after

retirement in a signed and witnessed writing filed with the Secretary of State prior to the death of the participant, for which purpose a designation, change, or cancellation of beneficiary in a will or other document which is not so executed and filed shall have no force or effect.

(2) If there is no such beneficiary, to the surviving wife or husband of the participant.

(3) If none of the above, to the child (without regard to the definition in section 4044(2) of this title) or children of the participant (including adopted and natural children but not stepchildren) and descendants of deceased children by representation.

(4) If none of the above, to the parents of the participant or the survivor of them.

(5) If none of the above, to the duly appointed executor or administrator of the estate of the participant.

(6) If none of the above, to such other next of kin of the participant as may be determined in the judgment of the Secretary of State to be legally entitled to such payment, except that no payment shall be made under this paragraph until after the expiration of 30 days after the death of the participant or annuitant.

(g) Death of survivor annuitant

Annuity accrued and unpaid on the death of a survivor annuitant shall be paid in the following order of precedence, and the payment bars recovery by any other person:

(1) To the duly appointed executor or administrator of the estate of the survivor annuitant.

(2) If there is no such executor or administrator, to such person as may be determined by the Secretary of State (after the expiration of 30 days from the date of death of the survivor annuitant) to be entitled under the laws of the domicile of the survivor annuitant at the time of death.

(h) Amount of credit

¹Amounts deducted and withheld from basic salary of a participant under section 4045 of this title from the beginning of the first pay period after the participant has completed 35 years of service computed under section 4056 of this title (excluding service credit for unused sick leave under section 4056(b) of this title), together with interest on the amounts at the rate of 3 percent a year compounded annually from the date of the deduction to the date of retirement or death, shall be applied toward any special contribution due under section 4045(d) of this title), and any balance not so required shall be refunded in a lump sum to the participant after separation or, in the event of a death in service, to a beneficiary in the order of precedence specified in subsection (f) of this section.

(i) Former spouses

Unless otherwise expressly provided by any spousal agreement or court order under section 4060(b)(1) of this title, the amount of a participant's or former participant's lump-sum credit payable to a former spouse of that participant shall be—

(1) if the former spouse was married to the participant throughout the period of creditable service of the participant, 50 percent of the lump-sum credit to which such participant would be entitled in the absence of this subsection, or

(2) if such former spouse was not married to the participant throughout such creditable service, an amount equal to such former spouse's pro rata share of 50 percent of such lump-sum credit.

The lump-sum credit of the participant shall be reduced by the amount of the lump-sum credit payable to the former spouse. For the purposes of this subsection, the term "creditable service" means service which is creditable under part I or II of this subchapter.

§ 4056. Creditable service**(a) Applicability of civil service provisions**

(1) ¹Except as otherwise specified by law, all periods of civilian and military and naval service, and all other periods through the date of final separation of a participant from the Service that the Secretary of State determines would be creditable toward retirement under the Civil Service Retirement and Disability System (as determined in accordance with section 8332 of title 5), shall be creditable for purposes of this part. Conversely, any such service performed after December 31, 1976, that would not be creditable under specified conditions under section 8332 of title 5, shall be excluded under this part under the same conditions.

(2) The service of an individual who first becomes a participant on or after October 17, 1983, without any credit under this section for civilian service performed prior to October 1, 1982, shall include credit for:

(A) each period of military or naval service performed before January 1, 1957, and

(B) each period of military or naval service performed after December 31, 1956, and before the separation on which the entitlement to annuity under this part is based, only if a deposit (with interest if any is required) is made with respect to that period, as provided in section 4045(e) of this title.

(3) The service of an individual who first became a participant on or after October 17, 1983, with credit under this section for civilian service performed prior to October 1982, shall include credit for each period of military or naval service performed before the date of the separation on which the entitlement to an annuity under this part is based, subject, in the case of military or naval service performed after December 1956, to subsection (j) of this section.

(4) The service of an individual who first became a participant before October 17, 1983, shall include credit for each period of military or naval service performed before the date of the separation on which the entitlement to an annuity under this part is based, subject, in the case of military or naval service performed after December 1976, to subsection (j) of this section.

(b) Unused sick leave credit

In computing any annuity under this part, the total service of a participant who retires on an immediate annuity or who dies leaving a survivor or survivors entitled to annuity includes (without regard to the 35-year limitation imposed by section 4046(a) of this title) the days of unused sick leave to the credit of the participant, except that these days shall not be counted in determining average basic salary or annuity eligibility under this part. A contribution to the Fund shall not be required from a participant for this service credit.

¹ See Amendment of Section note below.

(c) Service with other Government agency when on approved leave without pay; arrangement for payment of retirement deductions and agency contributions; special contribution

(1) A participant who enters on approved leave without pay to serve as a full-time officer or employee of an organization composed primarily of Government employees may, within 60 days after entering on that leave without pay, file with the employing agency an election to receive full retirement credit for such periods of leave without pay and arrange to pay concurrently into the Fund through the employing agency, amounts equal to the retirement deductions and agency contributions on the Foreign Service salary rate that would be applicable if the participant were in a pay status. If the election and all payments provided by this subsection are not made for the periods of such leave without pay occurring after November 7, 1976, the participant may not receive any credit for such periods of leave without pay occurring after such date.

(2) A participant may make a special contribution for any period or periods of approved leave without pay while serving before November 7, 1976, as a full-time officer or employee of an organization composed primarily of Government employees. Any such contribution shall be based upon the suspended Foreign Service salary rate and shall be computed in accordance with section 4045 of this title. A participant who makes such contributions shall be allowed full retirement credit for the period or periods of leave without pay. If this contribution is not made, up to 6 months' retirement credit shall be allowed for such periods of leave without pay each calendar year.

(d) Special contribution in repayment of refund of retirement contributions

² A participant who has received a refund of retirement contributions (which has not been repaid) under this or any other retirement system for Government employees covering service which may be creditable may make a special contribution for such service under section 4045 of this title. Credit may not be allowed for service covered by the refund unless the special contribution is made.

(e) Civilian service under other Government retirement system

No credit in annuity computation shall be allowed for any period of civilian service for which a participant made retirement contributions to another retirement system for Government employees unless—

(1) the right to any annuity under the other system which is based on such service is waived, and

(2) a special contribution is made under section 4045 of this title covering such service.

(f) Service in military during period of war or national emergency

(g) Recomputation of annuity for participants of Japanese ancestry interned during World War II

(1) An annuity or survivor annuity based on the service of a participant of Japanese ancestry who would be eligible under section 8332(l) of title 5, for credit for civilian service for periods of internment during World War II shall, upon application to the Secretary of State, be recomputed to give credit for that service. Any such recomputation of an annuity shall apply with respect to months beginning more than 30 days after the date on which application for such recomputation is received by the Secretary of State.

(3) The Secretary of State shall, on request, assist any individual referred to in paragraph (1) in obtaining from any agency or other Government establishment information necessary to verify the entitlement of the individual to have any service credited or any annuity recomputed under this subsection.

(4) Any agency or other Government establishment shall, upon request, furnish to the Secretary of State any information it possesses with respect to the internment or other detention, as described in section 8332(l) of title 5, of any participant.

(h) Service as employees of Member or office of Congress while on approved leave without pay

A participant who, while on approved leave without pay, serves as a full-time paid employee of a Member or office of the Congress shall continue to make contributions to the Fund based upon the Foreign Service salary rate that would be in effect if the participant were in a pay status. The participant's employing office in the Congress shall make a matching contribution (from the appropriation or fund which is used for payment of the salary of the participant) to the Treasury of the United States to the credit of the Fund. All periods of service for which full contributions to the Fund are made under this subsection shall be counted as creditable service for purposes of this part and shall not, unless all retirement credit is transferred, be counted as creditable service under any other Government retirement system.

(i) Former spouses

(1) Service of a participant shall be considered creditable service for purposes of applying provisions of this part relating to former spouses if such service would be creditable—

cial contribution was not made under subsection (c)(2) of this section, and

(B) under subsection (d) of this section but for the fact that a refund of contributions has not been repaid unless the former spouse received under this part a portion of the lump sum (or a spousal agreement or court order provided otherwise).

(2) A former spouse shall not be considered as married to a participant for periods assumed to be creditable service under section 4048(a) of this title or section 4049(e) of this title.

(j) Redetermination of credit for military and naval service

(1) Except as otherwise provided by statute or Executive Order, section 8332(j) of title 5, relating to redetermination of credit for military and naval service, shall be applied to annuities payable under this part. The Secretary of State shall redetermine service, and may request and obtain information from the Secretary of Health and Human Services, as the Office of Personnel Management is directed or authorized to do in section 8332(j).

(2) Section 8332(j) of title 5 shall not apply with respect to:

(C) any military or naval service performed prior to 1977 by any individual who first became a participant before October 17, 1983, or any period of military or naval service performed after 1976 with respect to which the participant has made a contribution (with interest if any is required) under section 4045(e) of this title.

AMENDMENT OF SECTION

Section 5 of Ex. Ord. No. 12446, Oct. 17, 1983, 48 F.R. 48445, set out as a note under section 4067 of this title, provided that:

“(a) Section 816(a) of the Act (22 U.S.C. 4056(a)) is deemed to be further amended so that the provisions of section 8332(j) of Title 5 of the United States Code, relating to credit for military service, shall not apply with respect to any individual who is entitled to an annuity under such Act [this chapter] on or before the date of approval of this Order [Oct. 17, 1983], or who is entitled to an annuity based on a separation from service occurring on or before such date.

“(b) Subject to subsection (c), in any case in which an individual described in subsection (a) is

also entitled to old-age or survivors insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] (or would be entitled to such benefits upon filing application therefor), the amount of the annuity to which such individual is entitled under chapter 8 of the Act [this subchapter] (after taking into account subsection (a)) which is payable for any month shall be reduced by an amount determined by multiplying the amount of such old-age or survivors insurance benefit for the determination month by a fraction—

“(1) the numerator of which is the total of the wages (within the meaning of section 209 of the Social Security Act [42 U.S.C. 409]) for service referred to in section 210(1) of such Act [42 U.S.C. 410] (relating to service in the uniformed services) and deemed additional wages (within the meaning of section 229 of such Act [42 U.S.C. 429]) of such individual credited for years after 1956 and before the calendar year in which the determination month occurs, up to the contribution and benefit base determined under section 230 of the Social Security Act [42 U.S.C. 430] (or other applicable maximum annual amount referred to in section 215(e)(1) of such Act [42 U.S.C. 415(e)(1)]) for each such year, and

“(2) the denominator of which is the total of all wages deemed additional wages described in paragraph (1) of this subsection plus all other wages (within the meaning of section 209 of the Social Security Act [42 U.S.C. 409]) and all self-employment income (within the meaning of section 211(b) of such Act [42 U.S.C. 411(b)]) of such individual credited for years after 1936 and before the calendar year in which the determination month occurs, up to the contribution and benefit base (or such other amount referred to in such section 215(e)(1) of such Act [42 U.S.C. 415(e)(1)]) for each such year.

“(c) Subsection (b) shall not reduce the annuity of any individual below the amount of the annuity which would be payable under chapter 8 of the Act [this subchapter] to the individual for the determination month if section 8332(j) of Title 5 of the United States Code applied to the individual for such month.

“(d) For purposes of this section, the term ‘determination month’ means—

“(1) the first month the individual described in subsection (a) is entitled to old-age or survivors insurance benefits under section 202 of the Social Security Act [42 U.S.C. 402] (or would be entitled to such benefits upon filing application therefor); or

“(2) the first day of the month following the month in which this Order is issued [Oct. 1983] in the case of any individual so entitled to such benefits for such month.

“(e) The preceding provisions of this section shall take effect with respect to any annuity payment payable under chapter 8 of the Act [this subchapter] for calendar months beginning after the date of this Order [Oct. 17, 1983].

“(f) The Secretary of Health and Human Services shall furnish such information to the Secretary of State as may be necessary to carry out the preceding provisions of this section.”

Section 1(b) and (c) of Ex. Ord. No. 12446 provided that subsection (d) of this section, applicable (i) to contributions for civilian service per-

formed on or after the first day of Nov. 1983, (ii) to contributions for prior refunds to participants for which application is received by the employing agency on and after such first day of Nov. 1983, and (iii) to excess contributions under section 4055(h) of this title and voluntary contributions under section 4065(a) of this title from the first day of Nov. 1983, is deemed to be amended to exclude from the computation of creditable civilian service under subsec. (a) of this section any period of civilian service for which retirement deductions or contributions have not been made under section 4045(d) of this title unless—

(1) the participant makes a contribution for such period as provided in such section 4045(d) of this title; or

(2) no contribution is required for such service as provided under section 4045(f) of this title as deemed to be amended by this Order, or under any other statute.

IMPACT OF AMENDMENTS BY PUB. L. 105-33 ON AGENCY CONTRIBUTIONS

Section 7001(e)(2) of Pub. L. 105-33 provided that: “Agency contributions under section 857 of the Foreign Service Act of 1980 (22 U.S.C. 4071f) shall not be reduced as a result of the amendments made under paragraph (1) of this subsection [amending this section and section 4071e of this title].”

§ 4071d. Entitlement to annuity

(a) Retirement conditions; definitions

(1) Any participant may be retired under the conditions specified in section 4051 of this title and shall be retired under the conditions specified in sections 4052 and 4053 of this title and receive benefits under this part.

(2) For the purposes of this subsection—

(A) the term “participant”, as used in the sections referred to in paragraph (1), means a participant in the Foreign Service Pension System; and

(B) the term “System”, as used in those sections, means the Foreign Service Pension System.

(3) For purposes of any annuity computation under this subsection, the average pay (as used in section 8414¹ of title 5) of any member of the Service whose official duty station is outside the continental United States shall be considered to be the salary that would have been paid to the member had the member's official duty station been Washington, D.C., including locality-based comparability payments under section 5304 of title 5 that would have been payable to the member if the member's official duty station had been Washington, D.C.

(b) Voluntary or mandatory retirement with authorization for immediate annuity; computation of annuity

(1) Any participant who retires voluntarily or mandatorily under section 4007, 4008, 4010a, 4051, 4052, or 4053 of this title under conditions authorizing an immediate annuity for participants

¹ See References in Text note below.

in the Foreign Service Retirement and Disability System or for participants in the Foreign Service Pension System, and who has completed at least 5 years as a member of the Foreign Service, shall be entitled to an immediate annuity computed under paragraph (2).

(2) An annuity under paragraph (1) shall be computed—

(A) in accordance with section 8415(d)(1) of title 5 for all service while a participant in this System and for prior service creditable under this part not otherwise counted as—

- (i) a member of the Service,
- (ii) an employee of the Central Intelligence Agency entitled to retirement credit under title II of the Central Intelligence Agency Retirement Act (50 U.S.C. 2011 et seq.) or under section 302(a) or 303(b) of that Act (50 U.S.C. 2152(a), 2153(b)), or
- (iii) a participant as a Member of Congress, a congressional employee, law enforcement officer, firefighter, or air traffic controller in the Civil Service Retirement System under subchapter III of chapter 83, title 5, or in the Federal Employees' Retirement System under chapter 84 of title 5; and

(B) at the rate stated in section 8415(a) of title 5 for all other service creditable under this System including service in excess of 20 years otherwise creditable under paragraph (A).

(3) Any participant who is involuntarily retired or separated under section 4007, 4008, 4010, or 4010a of this title and who would if a participant under part I of this subchapter, become eligible for a refund of contributions or a deferred annuity under part I of this subchapter, shall, in lieu thereof, receive benefits for an involuntary separation under this part.

(4) A disability annuity under this part required to be redetermined under section 8452(b) of title 5, or computed under section 8452(c) or (d) of such title 5, shall be recomputed or computed using the formula in subsection (b)(2)(A) of this section rather than section 8415 of such title 5 (as stated in section 8452(b)(2)(A) and 8452(c) and (d) of such title). Such annuity shall also be computed in accordance with the preceding sentence if, as of the day on which such annuity commences or is restored, the annuitant satisfies the age and service requirements for entitlement to an immediate annuity under section 4051 of this title.

(5) A former participant entitled to a deferred annuity under section 8413(b) of title 5 shall not be subject to section 8415(f)(1) of such title 5 if the former participant has 20 years of service creditable under this part and is at least 50 years of age as of the date on which the annuity is to commence.

(6)(A) The amount of a survivor annuity for a widow or widower of a participant or former participant shall be 50 percent of an annuity computed for the deceased under this part rather than under section 8415 of such title 5 (as stated in sections 8442(a)(1), (b)(1)(B), and (c)(2) of such title).

(B) Any calculation for a widow or widower of a participant or former participant under section 8442(f)(2)(A) shall be based on an “assumed

FSRDS annuity” rather than an “assumed CSRS annuity” as stated in such section. For the purpose of this subparagraph, the term “assumed FSRDS annuity” means the amount of the survivor annuity to which the widow or widower would be entitled under part I of this subchapter based on the service of the deceased annuitant determined under section 8442(f)(5) of such title 5.

(c) Annuity supplement

A participant who is entitled to an immediate annuity under subsection (b) of this section shall be entitled to receive an annuity supplement while the annuitant is under 62 years of age. The annuity supplement shall be based on the total creditable service of the annuitant and shall be computed in accordance with sections 8421(b) and 8421a of title 5 as if the participant were a law enforcement officer retired under section 8412(d) of such title.

(d) Separation for cause based on disloyalty

Any participant who is separated for cause under section 4010 of this title shall not be entitled to an annuity under this System when the Secretary determines that the separation was based in whole or in part on disloyalty to the United States.

§ 4071j. Former spouses

(a) Entitlement to share in benefits; conditions; remarriage; payments as income to former spouse; disability annuitants; election regarding method of payment; maximum amount payable

(1)(A) Unless otherwise expressly provided by any spousal agreement or court order governing disposition of benefits under this part, a former spouse of a participant or former participant is entitled, during the period described in subparagraph (B), to a share (determined under paragraph (2)) of all benefits otherwise payable to such participant under this part if such former spouse was married to the participant for at least 10 years during service of the participant which is creditable under this subchapter with at least 5 of such years occurring while the participant was a member of the Foreign Service.

(B) The period referred to in subparagraph (A) is the period which begins on the first day of the month following the month in which the divorce or annulment becomes final and ends on the last day of the month before the former spouse dies or remarries before 55 years of age.

(2) The share referred to in paragraph (1) equals—

(A) 50 percent, if such former spouse was married to the participant throughout the actual years of service of the participant which are creditable under this subchapter; or

(B) a pro rata share of 50 percent, if such former spouse was not married to the participant throughout such creditable service.

(3) A former spouse shall not be qualified for any benefit under this subsection if, before the commencement of any benefit, the former spouse remarries before becoming 55 years of age.

(4)(A) For purposes of title 26, payments to a former spouse under this section shall be treated as income to the former spouse and not to the participant.

(B) Any reduction in payments to a participant or former participant as a result of payments to a former spouse under this subsection shall be disregarded in calculating—

(i) the survivor annuity for any spouse, former spouse, or other survivor under this part, and

(ii) any reduction in the annuity of the participant to provide survivor benefits under this part.

(5) Notwithstanding subsection (a)(1) of this section, in the case of any former spouse of a disability annuitant—

(A) the annuity of the former spouse shall commence on the date the participant would qualify, on the basis of his or her creditable service, for an annuity under this subchapter (other than a disability annuity) or the date the disability annuity begins, whichever is later, and

(B) the amount of the annuity of the former spouse shall be calculated on the basis of the annuity for which the participant would otherwise so qualify.

(6)(A) Except as provided in subparagraph (B), any former spouse who becomes entitled to receive any benefit under this part which would otherwise be payable to a participant or former participant shall be entitled to make any election regarding method of payment to such former spouse that such participant would have otherwise been entitled to elect, and the participant may elect an alternate method for the remaining share of such benefits. Such elections shall not increase the actuarial present value of benefits expected to be paid under this part.

(B) A former spouse may not elect a method of payment under subchapter II, chapter 84 of title 5, providing for payment of a survivor annuity to any survivor of the former spouse.

(7) The maximum amount payable to any former spouse pursuant to this subsection shall be the difference, if any, between 50 percent of the total benefits authorized to be paid to a former participant by this part, disregarding any apportionment of these benefits to others, and the aggregate amount payable to all others at any one time.

(b) Entitlement to survivor benefits; determination of share; disqualification upon remarriage

(1) Unless otherwise expressly provided for by any spousal agreement or court order governing

survivorship benefits under this part to a former spouse married to a participant or former participant for the periods specified in subsection (a)(1)(A) of this section, such former spouse is entitled to a share, determined under subsection (b)(2) of this section, of all survivor benefits that would otherwise be payable under this part to an eligible surviving spouse of the participant.

(2) The share referred to in subsection (b)(1) of this section equals—

(A) 100 percent if such former spouse was married to the participant throughout the entire period of service of the participant which is creditable under this subchapter; or

(B) a pro rata share of 100 percent if such former spouse was not married to the participant throughout such creditable service.

(3) A former spouse shall not be qualified for any benefit under this subsection if, before the commencement of any benefit, the former spouse remarries before becoming 55 years of age.

(c) Diminution of entitlement of former spouse prohibited

A participant or former participant may not make any election or modification of election under section 8417, 8418, or 8433 of title 5 or other section relating to the participant's account in the Thrift Savings Plan or annuity under the basic plan that would diminish the entitlement of a former spouse to any benefit granted to the former spouse by this section or in a current spousal agreement.

(d) Transfer of participant from Foreign Service Retirement and Disability System; determination of benefit share

If a member becomes a participant under this part after qualifying for benefits under part I of this subchapter and, at the time of transfer, has a former spouse entitled to benefits under part I of this subchapter which are determined under section 4054 or 4055 of this title (as determined by the Secretary of State) and are similar in amount to a pro rata share division under section 4054 or 4055 of this title and the service of the member as a participant under this part is not recognized in determining that pro rata share, then subsections (a) and (b) of this section shall not apply to such former spouse. Otherwise, subsections (a) and (b) of this section shall apply.

(e) Death of participant entitled to deferred annuity; spousal agreement; payment of survivor annuity

If a participant dies after completing at least 18 months of service or a former participant dies entitled to a deferred annuity, but before becoming eligible to receive the annuity, and such participant or former participant has left with the Secretary of State a spousal agreement promising a share of a survivor annuity under subchapter IV, chapter 84, title 5, to a former spouse, such survivor annuity shall be paid under the terms of this part as if the survivor annuity had been ordered by a court.

SUBCHAPTER X—LABOR-MANAGEMENT RELATIONS

§ 4101. Congressional findings and policy

The Congress finds that—

(1) experience in both private and public employment indicates that the statutory protection of the right of workers to organize, bargain collectively, and participate through labor organizations of their own choosing in decisions which affect them—

(A) safeguards the public interest,

(B) contributes to the effective conduct of public business, and

(C) facilitates and encourages the amicable settlement of disputes between workers and their employers involving conditions of employment;

(2) the public interest demands the highest standards of performance by members of the Service and the continuous development and implementation of modern and progressive work practices to facilitate improved performance and efficiency; and

(3) the unique conditions of Foreign Service employment require a distinct framework for the development and implementation of modern, constructive, and cooperative relationships between management officials and organizations representing members of the Service.

Therefore, labor organizations and collective bargaining in the Service are in the public interest and are consistent with the requirement of an effective and efficient Government. The provisions of this subchapter should be interpreted in a manner consistent with the requirement of an effective and efficient Government.

(b) Investigation of petition; hearing; supervision of election; certification of results; length of time between elections

If a petition is filed with the Board—

(1) by any person alleging—

(A) in the case of a unit for which there is no exclusive representative, that 30 percent of the employees in the unit wish to be represented for the purpose of collective bargaining by an exclusive representative, or

(B) in the case of a unit for which there is an exclusive representative, that 30 percent of the employees in the unit alleged that the exclusive representative is no longer the representative of the majority of the employees in the unit; or

(2) by any person seeking clarification of, or an amendment to, a certification then in effect or a matter relating to representation;

the Board shall investigate the petition, and if it has reasonable cause to believe that a question of representation exists, it shall provide an opportunity for a hearing (for which a transcript shall be kept) after reasonable notice. If the Board finds on the record of the hearing that a question of representation exists, the Board shall supervise or conduct an election on the question by secret ballot and shall certify the results thereof. An election under this subsection shall not be conducted in any unit within which a valid election under this subsection has been held during the preceding 12 calendar months or with respect to which a labor organization has been certified as the exclusive representative during the preceding 24 calendar months.

(c) Intervention of labor organizations; placement on ballot

If no choice receives a majority of first preferences, the Board shall distribute to the two choices having the most first preferences the preferences as between those two of the other valid ballots cast. The choice receiving a majority of preferences shall be declared the winner. A labor organization which is declared the winner of the election shall be certified by the Board as the exclusive representative.

(e) Submission of required material

(g) Waiver of hearings; consent elections

Nothing in this section shall be construed to prohibit the waiving of hearings by stipulation for the purpose of a consent election in conformity with regulations and rules or decisions of the Board.

An exclusive representative is responsible for representing the interests of all employees in that unit without discrimination and without regard to labor organization membership.

(b) Places of representation

(1) An exclusive representative shall be given the opportunity to be represented at—

(c) Duty to bargain in good faith; determination of techniques assisting negotiation

The Department and the exclusive representative, through appropriate representatives, shall meet and negotiate in good faith for the purposes of arriving at a collective bargaining agreement. In addition, the Department and the exclusive representative may determine appropriate techniques, consistent with the provisions of section 4110 of this title, to assist in any negotiation.

(d) Applicability to other employee rights or remedies

The rights of an exclusive representative under this section shall not preclude an employee from—

(C) which does not constitute guidance, advice, counsel, or training provided for management officials or confidential employees, relating to collective bargaining;

(5) to negotiate jointly with respect to conditions of employment applicable to employees in more than one of the agencies authorized to utilize the Foreign Service personnel system, as determined by the heads of such agencies; and

(g) Consultation by Department with exclusive representative

The Department shall consult with the exclusive representative with respect to Government-wide or multiagency matters affecting the rights, benefits, or obligations of individuals employed in agencies not authorized to utilize the Foreign Service personnel system. The exclusive representative shall be informed of any change proposed by the Department with respect to such matters, and shall be permitted reasonable time to present its views and recommendations regarding such change. The Department shall consider the views and recommendations of the exclusive representative before taking final action on any such change, and shall provide the exclusive representative a written statement of the reasons for taking the final action.

Any procedures negotiated under this section shall—

- (1) be fair and simple,
- (2) provide for expeditious processing, and
- (3) include provision for appeal to the Foreign Service Grievance Board by either party of any dispute not satisfactorily settled.

(b) Review by Foreign Service Labor Relations Board

Either party to an appeal under subsection (a)(3) of this section may file with the Board an exception to the action of the Foreign Service Grievance Board in resolving the implementation dispute. If, upon review, the Board finds that the action is deficient—

- (1) because it is contrary to any law, rule, or regulation; or
- (2) on other grounds similar to those applied by Federal courts in private sector labor-management relations;

the Board may take such action and make such recommendations concerning the Foreign Service Grievance Board action as it considers necessary, consistent with applicable laws, rules, and regulations.

(c) Time of filing exceptions; finality and binding nature of action

(B) to condone any unfair labor practice described in subparagraph (A) by failing to take action to prevent or stop such activity;

(8) to deny membership to any employee in the unit represented by the labor organization except—

(g) Findings of fact relative to issuance of orders; backpay

If the Board (or any member thereof or any individual employed by the Board and designated for such purpose) determines after any hearing

on a complaint under subsection (f) of this section that the preponderance of the evidence received demonstrates that the Department or labor organization named in the complaint has engaged in or is engaging in an unfair labor practice, then the individual or individuals conducting the hearing shall state in writing their findings of fact and shall issue and cause to be served on the Department or labor organization an order—

(1) to cease and desist from any such unfair labor practice in which the Department or labor organization is engaged;

(2) requiring the parties to renegotiate a collective bargaining agreement in accordance with the order of the Board and requiring that the agreement, as amended, be given retroactive effect;

(3) requiring reinstatement of an employee with backpay in accordance with section 5596 of title 5; or

(4) including any combination of the actions described in paragraphs (1) through (3) or such other action as will carry out the purpose of this subchapter.

If any such order requires reinstatement of an employee with backpay, backpay may be required of the Department (as provided in section 5596 of title 5) or of the labor organization, as the case may be, which is found to have engaged in the unfair labor practice involved.

(h) Findings of fact requiring dismissal of complaint

If the individual or individuals conducting the hearing determine that the preponderance of the evidence received fails to demonstrate that the Department or labor organization named in the complaint has engaged in or is engaging in an unfair labor practice, the individual or individuals shall state in writing their findings of fact and shall issue an order dismissing the complaint.

The Department shall accord recognition only to a labor organization that is free from corrupt influences and influences opposed to basic democratic principles. Except as provided in subsection (b) of this section, an organization is not required to prove that it is free from such influences if it is subject to a governing requirement adopted by the organization or by a national or international labor organization or federation of labor organizations with which it is affiliated, or in which it participates, containing explicit and detailed provisions to which it subscribes calling for—

(1) the maintenance of democratic procedures and practices, including—

(A) provisions for periodic elections to be conducted subject to recognized safeguards, and

(B) provisions defining and securing the right of individual members to participate in

the affairs of the organization, to receive fair and equal treatment under the governing rules of the organization, and to receive fair process in disciplinary proceedings;

(b) Furnishing of information

A labor organization may be required to furnish evidence of its freedom from corrupt influences opposed to basic democratic principles if there is reasonable cause to believe that—

(1) the organization has been suspended or expelled from, or is subject to other sanction by, a parent labor organization, or federation of organizations with which it has been affiliated, because it has demonstrated an unwillingness or inability to comply with governing requirements comparable in purpose to those required by subsection (a) of this section; or

(2) the organization is in fact subject to influences that would preclude recognition under this subchapter.

(c) Reports; bonding of officials and other employees; compliance with trusteeship and election standards

A labor organization which has or seeks recognition as a representative of employees under this subchapter shall file financial and other reports with the Assistant Secretary of Labor for Labor Management Relations, provide for bonding of officials and others employed by the organization, and comply with trusteeship and election standards.

(d) Regulations; filing of complaints; cease and desist orders

The Assistant Secretary of Labor shall prescribe such regulations as are necessary to carry out this section. Such regulations shall conform generally to the principles applied to labor organizations in the private sector. Complaints of violations of this section shall be filed with the Assistant Secretary. In any matter arising under this section, the Assistant Secretary may require a labor organization to cease and desist from violations of this section and require it to take such actions as the Assistant Secretary considers appropriate to carry out the policies of this section.

(e) Participation in labor organizations restricted

(1) Notwithstanding any other provision of this subchapter—

(A) participation in the management of a labor organization for purposes of collective bargaining or acting as a representative of a labor organization for such purposes is prohibited under this subchapter—

(i) on the part of any management official or confidential employee;

(ii) on the part of any individual who has served as a management official or confidential employee during the preceding two years; or

(iii) on the part of any other employee if the participation or activity would result in a conflict of interest or apparent conflict of interest or would otherwise be incompatible with law or with the official functions of such employee; and

(B) service as a management official or confidential employee is prohibited on the part of any individual having participated in the management of a labor organization for purposes of collective bargaining or having acted as a representative of a labor organization during the preceding two years.

(D) any individual described in section 4102(12)(B), (C), or (D) of this title who is not involved in the administration of this subchapter or in the formulation of the personnel policies and programs of the Department.

(f) Willful and intentional violations

If the Board finds that any labor organization has willfully and intentionally violated section 4115(b)(7) of this title by omission or commission with regard to any strike, work stoppage, slowdown, the Board shall—

(1) revoke the exclusive recognition status of the labor organization, which shall then immediately cease to be legally entitled and obligated to represent employees in the unit; or

(2) take any other appropriate disciplinary action.

§ 4118. Administrative provisions

(a) Assignment for deduction of dues

If the Department has received from any individual a written assignment which authorizes the Department to deduct from the salary of that individual amounts for the payment of regular and periodic dues of the exclusive representative, the Department shall honor the assignment. Any such assignment shall be made at no cost to the exclusive representative or the individual. Except as provided in subsection (b) of this section, any such assignment may not be revoked for a period of one year from its execution.

(b) Termination of assignment for deduction of dues

An assignment for deduction of dues shall terminate when—

(1) the labor organization ceases to be the exclusive representative;

(2) the individual ceases to receive a salary from the Department as a member of the Service; or

(3) the individual is suspended or expelled from membership in the exclusive representative.

(c) Negotiations with uncertified labor organizations

During any period when no labor organization is certified as the exclusive representative of employees in the Department, the Department shall have the duty to negotiate with a labor organization which has filed a petition under section 4111(b)(1)(A) of this title alleging that 10 percent of the employees in the Department have membership in the organization if the Board has determined that the petition is valid. Negotiations under this subsection shall be concerned solely with the deduction of dues of the labor organization from the salary of the individuals who are members of the labor organization and who make a voluntary allotment for that purpose. Any agreement between the Department and a labor organization under this subsection shall terminate upon the certification of an exclusive representative of any employees to whom the agreement applies.

(d) Official time usage

The following provisions shall apply to the use of official time:

(1) Any employee representing an exclusive representative in the negotiation of a collective bargaining agreement under this subchapter shall be authorized official time for such purposes, including attendance at impasse proceedings, during the time the employee otherwise would be in a duty status. The number of employees for whom official time is authorized under this paragraph shall not exceed the number of individuals designated as representing the Department for such purposes.

(2) Any activities performed by any employee relating to the internal business of the labor organization, including the solicitation of membership, elections of labor organization officials, and collection of dues, shall be performed during the time the employee is in a nonduty status.

(3) Except as provided in paragraph (1), the Board shall determine whether any employee participating for, or on behalf of, a labor organization in any phase of proceedings before the Board shall be authorized official time for such purpose during the time the employee would otherwise be in a duty status.

(4) Except as provided in paragraphs (1), (2), and (3), any employee representing an exclusive representative, or engaged in any other matter covered by this subchapter, shall be granted official time in any amount the Department and the exclusive representative agree to be reasonable, necessary, and in the public interest.

(b) Right to representation

(1) The grievant has the right to a representative of his or her own choosing at every stage of the proceedings under this subchapter.

(2) In any case where the grievant is a member of a bargaining unit represented by an exclusive representative, but is not represented in the grievance by that exclusive representative, the exclusive representative shall have the right to appear during the grievance proceedings.

In the event of a vacancy on the Board, an appointment for the unexpired term may be made by the Secretary of State in accordance with the procedures specified in this section. Testimony at a hearing shall be given under oath, which any Board member or individual designated by the Board shall have authority to administer.

(3) Each party (including an exclusive representative appearing in the proceedings) shall be entitled to examine and cross-examine witnesses at the hearing or by deposition and to serve interrogatories upon another party and have such interrogatories answered by the other party unless the Board finds such interrogatory irrelevant, immaterial, or unduly repetitive. Upon request of the Board, or upon a request of the grievant deemed relevant and material by the Board, an agency shall promptly make available at the hearing or by deposition any witness under its control, supervision, or responsibility, except that if the Board determines that the presence of such witness at the hearing is required for just resolution of the grievance, then the witness shall be made available at the hearing, with necessary costs and travel expenses paid by the Department.

(4) During any hearing held by the Board, any oral or documentary evidence may be received, but the Board shall exclude any irrelevant, immaterial, or unduly repetitious evidence, as determined under section 556 of title 5.

(5) A verbatim transcript shall be made of any hearing and shall be part of the record of proceedings.

(6) In those grievances in which the Board does not hold a hearing, the Board shall afford to each party the opportunity to review and to supplement, by written submissions, the record of proceedings prior to the decision by the Board. The decision of the Board shall be based exclusively on the record of proceedings.

(7) The Board may act by or through panels or individual members designated by the Chairperson, except that hearings within the continental United States shall be held by panels of at least three members unless the parties agree otherwise. References in this subchapter to the Board shall be considered to be references to a panel or member of the Board where appropriate. All members of the Board shall act as impartial individuals in considering grievances.

(8) If the Board determines that the Department is considering the involuntary separation of the grievant (other than an involuntary separation for cause under section 4010(a) of this title), disciplinary action against the grievant, or recovery from the grievant of alleged overpayment of salary, expenses, or allowances, which is related to a grievance pending before the Board and that such action should be suspended, the Department shall suspend such action until the date which is one year after such determination or until the Board has ruled upon the grievance, whichever

comes first. The Board shall extend the one-year limitation under the preceding sentence and the Department shall continue to suspend such action, if the Board determines that the agency or the Board is responsible for the delay in the resolution of the grievance. The Board may also extend the 1-year limit if it determines that the delay is due to the complexity of the case, the unavailability of witnesses or to circumstances beyond the control of the agency, the Board or the grievant. Notwithstanding such suspension of action, the head of the agency concerned or a chief of mission or principal officer may exclude the grievant from official premises or from the performance of specified functions when such exclusion is determined in writing to be essential to the functioning of the post or office to which the grievant is assigned.

(9) The Board may reconsider any decision upon presentation of newly discovered or previously unavailable material evidence.

AMENDMENTS

2002—Par. (8). Pub. L. 107-228, in first sentence, struck out “the involuntary separation of the grievant,” before “disciplinary action” and substituted “grievant or” for “grievant, or”, and struck out last sentence which read as follows: “Notwithstanding the first sentence of this paragraph, the Board’s authority to suspend such action shall not extend to instances where the Secretary, or his designee, has exercised his authority under subsection (a)(3) of section 4010 of this title or with respect to any action which would delay the separation of an employee pursuant to a reduction in force conducted under section 4010a of this title.”

1994—Par. (8). Pub. L. 103-236, § 181(a)(4)(B), inserted before period at end “or with respect to any action which would delay the separation of an employee pursuant to a reduction in force conducted under section 4010a of this title”.

Pub. L. 103-236, § 177(a), substituted “until the date which is one year after such determination or until the Board has ruled upon the grievance, whichever comes first. The Board shall extend the one-year limitation under the preceding sentence and the Department shall continue to suspend such action, if the Board determines that the agency or the Board is responsible for the delay in the resolution of the grievance. The Board may also extend the 1-year limit if it determines that the delay is due to the complexity of the case, the unavailability of witnesses or to circumstances beyond the control of the agency, the Board or the grievant.” for “until the Board has ruled upon the grievance.”

1991—Par. (8). Pub. L. 102-138 substituted “exercised his authority under subsection (a)(3) of section 4010 of this title” for “determined that there is reasonable cause to believe that a grievant has committed a job-related crime for which a sentence of imprisonment may be imposed and has taken action to suspend the grievant without pay pending a final resolution of the underlying matter”.

1989—Par. (8). Pub. L. 101-167 inserted at end “Notwithstanding the first sentence of this paragraph, the Board’s authority to suspend such action shall not extend to instances where the Secretary, or his designee, has determined that there is reasonable cause to believe that a grievant has committed a job-related crime for which a sentence of imprisonment may be imposed and has taken action to suspend the grievant without pay pending a final resolution of the underlying matter.”

§ 4137. Foreign Service Grievance Board decisions

(a) Record; findings of fact and statement of reasons

Upon completion of its proceedings, the Board shall expeditiously decide the grievance on the basis of the record of proceedings. In each case the decision of the Board shall be in writing, and shall include findings of fact and a statement of the reasons for the decision of the Board.

(b) Authority of Department upon finding of meritorious grievance

If the Board finds that the grievance is meritorious, the Board shall have the authority to direct the Department—

(1) to correct any official personnel record relating to the grievant which the Board finds to be inaccurate or erroneous, to have an omission, or to contain information of a falsely prejudicial character;

(2) to reverse a decision denying the grievant compensation or any other perquisite of employment authorized by laws or regulations when the Board finds that such decision was arbitrary, capricious, or contrary to laws or regulations;

(3) to retain in the Service a member whose separation would be in consequence of the matter by which the member is aggrieved;

(4) to reinstate the grievant, and to grant the grievant back pay in accordance with section 5596(b)(1) of title 5;

(5) to pay reasonable attorney fees to the grievant to the same extent and in the same manner as such fees may be required by the Merit Systems Protection Board under section 7701(g) of title 5; and

(6) to take such other remedial action as may be appropriate under procedures agreed to by the Department and the exclusive representative (if any).

(c) Finality of decisions; judicial review

Except as provided in subsection (d) of this section, decisions of the Board under this subchapter shall be final, subject only to judicial review as provided in section 4140 of this title.

(d) Recommendations

(1) If the Board finds that the grievance is meritorious and that remedial action should be taken that relates directly to promotion, tenure or assignment of the grievant or to other remedial action not otherwise provided for in this section, or if the Board finds that the evidence before it warrants disciplinary action against any employee of the Department or member of the Service, it shall make an appropriate recommendation to the Secretary. The Secretary shall make a written decision on the recommendation

of the Board within 30 days after receiving the recommendation. The Secretary shall implement the recommendation of the Board except to the extent that, in a decision made within that 30-day period, the Secretary rejects the recommendation in whole or in part on the basis of a determination that implementation of the recommendation would be contrary to law or would adversely affect the foreign policy or national security of the United States. If the Secretary rejects the recommendation in whole or in part, the decision shall specify the reasons for such action. Pending the decision of the Secretary, there shall be no ex parte communication concerning the grievance between the Secretary and any person involved in the proceedings of the Board. The Secretary shall, however, have access to the entire record of the proceedings of the Board.

(2) A recommendation under paragraph (1) shall, for purposes of section 4140 of this title, be considered a final action upon the expiration of the 30-day period referred to in such paragraph, except to the extent that it is rejected by the Secretary by an appropriate written decision.

(3)(A) If the Secretary makes a written decision under paragraph (1) rejecting a recommendation in whole or in part on the basis of a determination that implementing such recommendation would be contrary to law, the Secretary shall, within the 30-day period referred to in such paragraph—

(i) submit a copy of such decision to the Board; and

(ii) request that the Board reconsider its recommendation or, if less than the entirety is rejected, that the Board reconsider the portion rejected.

(B)(i) Within 30 days after receiving a request under subparagraph (A), the Board shall, after reviewing the Secretary's decision, make a recommendation to the Secretary either confirming, modifying, or vacating its original recommendation or, if less than the entirety was rejected, the portion involved.

(ii) Reconsideration under this subparagraph shall be limited to the question of whether implementing the Board's original recommendation, either in whole or in part, as applicable, would be contrary to law.

(C) A recommendation made under subparagraph (B) shall be considered a final action for purposes of section 4140 of this title, and shall be implemented by the Secretary.

(e) Record of grievances; copy to committee of Congress; right of review

(1) The Board shall maintain records of all grievances awarded in favor of the grievant in which the grievance concerns gross misconduct by a supervisor. Subject to paragraph (2), the Committee on Foreign Relations of the Senate shall be provided with a copy of the grievance decision whenever such a supervisor is nominated for any position requiring the advice and consent of the Senate and the Board shall provide access to the entire record of any proceedings of the Board concerning such a grievance decision to any Member of the Committee on Foreign Relations upon a request by the Chairman or Ranking Minority Member of such committee.

(2)(A) Except as provided in subparagraph (B), all decisions, proceedings, and other records disclosed pursuant to paragraph (1) shall be treated as confidential and may be disclosed only to Committee members and appropriate staff.

(B) Whenever material is provided to the Committee or a Member thereof pursuant to paragraph (1), the Board shall, at the same time, provide a copy of all such material to the supervisor who is the subject of such material.

(C) A supervisor who is the subject of records disclosed to the committee¹ pursuant to this subsection shall have the right to review such record and provide comments to the Committee concerning such record. Such comments shall be treated in a confidential manner.

(f) Alleged discrimination; substantive law to be applied

The Board shall, with respect to any grievance based on an alleged violation of a law, rule, regulation, or policy directive referred to in section 4131(a)(1)(H) of this title, apply the substantive law that would be applied by the Equal Employment Opportunity Commission if a charge or claim alleging discrimination under such law, rule, regulation, or policy directive had been filed with the commission.¹

(a) Review by Foreign Service Grievance Board of decision denying access

If a grievant is denied access to any agency record prior to or during the consideration of the grievance by the Department, the grievant may raise such denial before the Board in connection with the grievance.

(b) Access by Foreign Service Grievance Board; relevant and material records; adverse effect on national security or foreign policy

In considering a grievance, the Board shall have access to any agency record as follows:

If such a certification is made with respect to any record, the agency shall supply to the Board a summary or extract of such record unless the reasons specified in the preceding sentence preclude such a summary or extract.

(c) Access by grievant

If the Board determines that an agency record, or a summary or extract of a record, made available to the Board under subsection (b) of this section is relevant and material to the grievance, the agency concerned shall make such record, summary, or extract, as the case may be, available to the grievant.

(d) Denial of access as factor in determination of grievance

In considering a grievance, the Board may take into account the fact that the grievant or the Board was denied access to an agency record which the Board determines is or may be relevant and material to the grievance.

The grievant in any case decided by the Board shall have access to the record of the proceedings and the decision of the Board.

(2) If a grievant is not prohibited from filing a grievance under paragraph (1), the grievant may file with the Board a grievance which is also eligible for consideration, resolution, and relief under chapter 12 of title 5 or a regulation or Executive order other than under this subchapter. An election of remedies under this subsection shall be final upon the acceptance of jurisdiction by the Board.

(3) This subsection shall not apply to any grievance with respect to which subsection (b) of this section applies.

(B) initiate in writing a proceeding under another provision of law, regulation, or Executive order that authorizes relief,

but not both.

(2) A grievant shall be considered to have exercised the option under paragraph (1) as soon as the grievant timely either—

SUBCHAPTER XI-A—FOREIGN SERVICE INTERNSHIP PROGRAM

§ 4141. Statement of policy; objectives

(a) Statement of policy

Consistent with the findings of section 3901 of this title, the Foreign Service of the United States should be representative of the American people. In order to facilitate and encourage the entry into the Foreign Service of individuals who meet the rigorous requirements of the Service, while ensuring a Foreign Service system which reflects the cultural and ethnic diversity of the United States, intensive recruitment efforts are mandated. This is particularly true for Native Americans, African Americans, and Hispanic Americans, where other affirmative action and equal opportunity efforts have not been successful in attracting the ablest applicants for entry into the Foreign Service. The United States remains committed to equal opportunity and to a Foreign Service system operated on the basis of merit principles.

(b) Objectives

The objective of this subchapter is to strengthen and improve the Foreign Service of the United States through the establishment of a Foreign Service Internship Program. The program shall promote the Foreign Service as a viable and rewarding career opportunity for qualified individuals who reflect the cultural and ethnic diversity of the United States through a highly selective internship program for students enrolled in institutions of higher education.

(Pub. L. 96-465, title I, §1201, as added Pub. L. 101-246, title I, §149(b), Feb. 16, 1990, 104 Stat. 39.)

§ 4141a. Foreign Service Internship Program

(a) Establishment

In consultation with the heads of other agencies utilizing the Foreign Service system, the Secretary of State shall establish a Foreign Service internship program to carry out the objectives of this subchapter in accordance with the provisions of this subchapter.

(b) Foreign Service Internship Program

The program shall introduce interns to the practice of diplomacy and the unique rewards of the Foreign Service. The program shall consist of three successive summer internships of not less than eight weeks duration in each year to be completed over the course of not more than four years. Special emphasis shall be given to preparing the intern for the Foreign Service examination process. In each year not less than 10 interns shall enter the program.

(c) Eligibility to participate

(1) Students enrolled full-time in institutions of higher education from groups which are underrepresented in the Foreign Service in terms of the cultural and ethnic diversity of the Foreign Service and for whom equal opportunity and affirmative action recruitment efforts have not been successful in achieving balanced representation in appointments to the Foreign Service shall be eligible to be interns in programs under this subchapter.

(2) An intern shall have successfully completed not less than one academic year of study at an institution of higher education to be admitted to the program. In each succeeding year of participation an intern shall have completed an additional year of undergraduate or graduate study and shall maintain an exemplary record of academic achievement.

(3) In selecting interns, the Secretary shall consider only the ablest students of superior ability selected on the basis of demonstrated achievement and exceptional promise whose academic records reflect the requisite standards of performance necessary for the Foreign Service.

(d) Summer internships

(1) The primary focus of the first internship shall be the study of international relations, the functions of the Department of State and other agencies which utilize the Foreign Service system, and the nature of the Foreign Service. The internship shall be held in Washington, District of Columbia, at the Department of State. As ap-

propriate, the Secretary shall utilize the personnel and facilities of the George P. Shultz National Foreign Affairs Training Center.

(2) The second internship shall be, principally, an assignment to a specific bureau of the Department of State. Emphasis shall be on providing insight into the economic and political functional areas.

(3) The third internship shall be an assignment to a United States mission abroad in the political or economic area.

(4) The first and second internships may include a detail to the Congress.

(e) Administration

The Secretary of State shall determine the academic requirements, other selection criteria, and standards for successful completion of each internship period. The Secretary shall be responsible for the design, implementation, and operation of the program.

(f) Mentors

Each intern shall be assigned a career Foreign Service officer as a mentor. The mentor shall act as a counselor and advisor throughout each summer internship and as a personal Foreign Service contact throughout the period of participation in the program. In the assignment of mentors, the Secretary shall give preference to Foreign Service officers who volunteer for such assignment and who may be role models for the interns.

(g) Compensation

Interns shall be compensated at a rate determined by the Secretary which shall not be less than the compensation of comparable summer interns at the Department of State. As determined by the Secretary, for the purposes of travel, housing, health insurance, and other appropriate benefits, interns shall be considered employees of the Foreign Service during each internship period.

(h) Study of Foreign Service examination

The Secretary of State shall study the feasibility of administering the Foreign Service examination in separate segments over several years. Not later than 180 days after February 16, 1990, the Secretary shall submit a report summarizing the findings of such a study to the Committee on Foreign Affairs of the House of Representatives and the Committee on Foreign Relations of the Senate.

(Pub. L. 96-465, title I, §1202, as added Pub. L. 101-246, title I, §149(b), Feb. 16, 1990, 104 Stat. 40; amended Pub. L. 107-132, §1(b), Jan. 16, 2002, 115 Stat. 2412.)

AMENDMENTS

2002—Subsec. (d)(1). Pub. L. 107-132 substituted “George P. Shultz National Foreign Affairs Training Center” for “Foreign Service Institute”.

§ 4141b. Report to Congress

Together with the annual submission required under section 3905(d)(2)¹ of this title, the Secretary of State shall submit a report to the Congress concerning the implementation of the program established under this subchapter. Such report accompanied by such other information as the Secretary considers appropriate, shall include specific information concerning the completion rates of interns in the program, interns who took the Foreign Service examination, interns who passed the examination, former interns appointed to the Foreign Service, assignments of former interns, and the advancement of former interns through the Foreign Service System.²
